PAGE FENCES WEAR BEST—because they're made best. The lowest priced high-grade fence—because SOLD DIRECT from Factory to Farm—FREIGHT PAID. 15,000 farmers bought PAGE FENCE by mail last year—without a single disappointment. They saved TIME and MONEY—bought the BEST FENCE at the LOWEST PRICE.

We use the finest galvanizing money can buy. That's one reason why PAGE FENCE is practically rust-proof—why many PAGE FENCES after 20 years' service still look good for 20 more.

Every farmer should have a copy of the Big PAGE general Merchandise Catalogue. Saves you many dollars on hundreds of high-grade Farm and Home helps. COPY FREE ON REQUEST.

Last Year we made 15,000 Shipments of PAGE FENCE. Direct Freight Paid.

Only PAGE QUALITY could show such marvellous results. Because every rod of PAGE FENCE is of the highest standard throughout. We use only full No. 9 gauge wire, even in the knots. The old reliable No. 9 at that (none of the new-fangled gauges masquerading as No. 9). Page Wire is made by the greatest steel company in the world. They specialize on wire—just as we specialize on fence. They make better wire cheaper than any fence-maker, because it's their business to make WIRE—not fence. You're SAFE when you mail your order to the nearest PAGE BRANCH. You get IMMEDIATE SHIPMENTS—Freight Paid on \$10 order or over. Mail your order TO-DAY. Fence prices will probably go higher. Get your fence before the Spring rush. Every rod sold under an ABSOLUTE GUARANTEE of "Satisfaction—or Money Back." Yet not one shipment came back. We believe this record is unequalled in the history of the farm-fence trade.
