

APPLICATION TO PARLIAMENT

Notice is hereby given that an application will be made by the Corporation of the City of Belleville, to the Legislature of the Province of Ontario at its next session for an Act:

1. To cause to be confirmed by-law Number 3288 of the Municipal Council of the Corporation of the City of Belleville passed on the 15th day of November, 1920, without obtaining the assent of the electors thereof, the said by-law being entitled "A By-law to authorize the issue of Debentures of the Corporation of the City of Belleville to the amount of \$10,000 for the purpose of paying the Corporation's share of the purchase price of the Bridge of the Belleville and Prince Edward Counties, which crosses the Bay of Quinte connecting the said City of Belleville and the Township of Ameliasburg, in the County of Prince Edward, and its approaches and other property belonging and appurtenant to the said Bridge."

2. The existing debenture debt of the said City of Belleville is as follows:

Consolidated	\$400,000.00
Public School	137,200.00
Water Works	228,200.00
Gas Works	59,244.70
Overdraft and County Line	33,000.00
Bridge	80,000.00
Wood Chemical	25,000.00
Patriotic	25,000.00
Marsh & Henthorn (Guar.)	25,000.00
New Albert College	25,000.00
Local Improvements	24,198.95
Payments (city's share)	27,454.25
Sidewalks (city's share)	97,046.41
Total	\$1,181,595.26

3. The reason for requiring the issue of the said Debentures is that the said City of Belleville, the County of Prince Edward and the Honorable Mr. Elgin, Minister of Public Works and Highways, on behalf of the Province of Ontario, have agreed to purchase the said Bridge for the sum of \$55,000.00, to be contributed as follows: Province of Ontario, \$35,000.00; City of Belleville, \$20,000.00; County of Prince Edward, \$20,000.00.

Total \$85,000.00

and said Debentures are required to be issued for the purpose of raising the money to pay the city's share of the purchase of the Bridge.

Dated at Belleville, Ontario, this 20th day of November, A.D. 1920.

J. W. KENNEDY, City Clerk.

LAID TO REST

The funeral of the late Mrs. Parry took place on Monday afternoon from her home in Sidney to Atkins' Church where the Rev. Wallace conducted service in the presence of many friends. Interment was made in White's cemetery, the bearers being C. Hess, D. McNary, F. Grills, G. Westover, T. Hinchcliffe and H. Hubbell.

Fourteen Years On Local Force

F. J. Naphin is Now License Inspector for This District.

Although the announcement had been made from Toronto it was not until Saturday afternoon that Sgt. Francis James Naphin of the Belleville Police Department received official notice from the Liquor License Department of the Province of his appointment as Liquor License Inspector for the southern part of the County of Hastings and of Prince Edward in succession to the late Inspector Richard C. Arnett. The new inspector's many friends will be pleased at this recognition of his ability and of his integrity as an officer of the law, although sorry to lose his services as a police sergeant in Belleville.

A meeting of the Board of Police Commissioners is being held this afternoon and it is expected Sgt. Naphin will be released at once to enter upon his new duties about the first of the month.

License Inspector Naphin is a native of Tyndinaga and of Irish extraction. He was born in the year 1885. His boyhood he spent on his father's farm. On July 3rd, 1906 he joined the Belleville police force as a constable. On Jan. 1st, 1910 he was appointed sergeant. For ten years he has been a constable for the county of Hastings. He has done considerable duty in connection with constable work at Point Anne.

Sergeant or now Inspector Naphin has had a record on the local force which does credit to his abilities as a detective. He is tireless in the performance of duty, gifted with a natural bent toward the detection of crime and a native shrewdness. His record throughout his fourteen years' police service has been clean.

Mrs. Wickett resided in Belleville for 77 years. She had been ill but three weeks.

WM. KENNEDY

A very sad death occurred at Cloyne on Nov. 5th when William Kennelick was called to his eternal reward. The deceased had been in failing health for the past year, a sufferer from heart trouble. A few days previous to his death he contracted a severe cold which rapidly developed into pneumonia and from the first his life was despaired of by his physician. The late Mr. Kennelick was fifty-two years of age and lived all his life on the old homestead, he had always been a highly esteemed member of the community.

He left to mourn his loss, his wife, one adopted son George, also a brother, John, living in Alberta and one sister Mrs. A. Murphy, Nanaimo. The deceased was a Catholic in religion. The funeral took place on Monday was largely attended. The remains were placed in the R. C. Cemetery, Flinton. May His Soul Rest in Peace.—Tweed Advocate.

W. L. Campbell's Death Purely Accidental

No Blame Attached to Any One by Inquest July.

"We the jury empanelled to inquire into the death of Wesley Leigh Campbell, find that he came to his death at the Belleville Hospital (on the night of 24th of November) from injuries received while performing his duties on train 1039 in the C.P.R. yards and we find his death was purely accidental and no blame can be attached to any one."

This verdict was delivered by the jury last evening to Coroner Dr. H. A. Yeomans after hearing the testimony of a number of witnesses as to the accident. Crown Attorney Carney examined the witnesses. Evidence was given by Stephen Garvin, C. N. R. Operator; Engineer J. R. Campbell; Conductor John Harte; Brakeman E. Ford; Mackie; Signaller Stephen Cross; G. T. R. Fireman Alex. Hall and Dr. Robertson.

The engineer said Train Campbell was engaged in coupling and he last saw Campbell as the cars were coming together. He was to receive a signal from the trainman when the coupling was completed but this was not given.

The train was a way freight from Smith's Falls to Trenton. After switching at the east end the train came up to the interwitch and was backing with four cars from the north track to the south track to couple on to a car. It was when the coupling was being made that fatal injuries were received by Campbell.

COAL SHORT IN WATERTOWN

Inquiries from various shippers indicate that the car situation in Northern New York is easier. Shippers are getting practically their full quota of cars required for loading, and apparently Watertown concerns are not suffering from car shortage. The improved conditions are due to concerted efforts to relieve the situation on the part of the railroad, shippers and consignees, in loading and unloading promptly. Hard coal is still short in Watertown. Small shipments are coming in to dealers, but the sudden appearance of winter weather is intensifying the demand for coal. Soft coal is being received in larger quantities than anthracite. The coal pile of the St. Lawrence division in the Pine street yard is growing steadily, about a third of the winter's storage being on hand.

Prof. and Mrs. Coleman and their daughter, Mrs. McAllister, moved into their pretty new bungalow at the corner of Burton street and Highland avenue.

PLAIN TALK TO STUDENTS.

Queen's Journal: In view of the fact that the hockey season is near at hand and that the students through their hockey executive are again requesting that a training table and training quarters be established, and that a professional coach be employed, the Athletic Board of Control wishes to make its position clear. They consider that until such time as we are willing to sacrifice self to the good of the cause, a training table is nothing more than a bill of expense, both in money and time. Also that a training table, or in fact, a competent football team, is absolutely impossible unless the players and students themselves help out. Neither the coach nor the trainer should have to constitute themselves detectives to see that the training rules are followed. Until we get a team composed of men, all of whom will willingly follow proper conditioning rules, we would be better to eliminate sports entirely.

FIRE BROKE OUT.

Fire of unknown origin which broke out in the top of the rear elevator shaft of the store of the Cressman Company, Limited, on George street, Peterboro, shortly after 9 o'clock Friday evening, was prevented from spreading to the store and perhaps getting beyond control only by the fireproof walls of the elevator shaft. Comparatively little damage resulted, and Saturday the store was "carrying on" as usual.

CARGO OF LIVE EELS.

Owing to the heavy wind storms on Lake Ontario and the St. Lawrence river, many lake going boats have been forced to remain moored at the Cape Vincent breakwater. Among the boats there is the Ethel Q. a Canadian steam tug, which has a tow of four canal barges. The canal boats have an unusual cargo of live eels, which were shipped from Quebec, and are en route to New York city for export among the Italian element in the city. The four boats hold together a cargo of 175,000 pounds of the eels.

WILL IMPROVE HARBOR.

An item for \$99,000 for harbor improvements at Ogdensburg contained in the River and Harbor bill to be submitted to Congress, has brought surprise and pleasure to shipping interests in that city who were not aware that any further expenditure on the harbor was immediately contemplated.

Presentation to Retiring Secretary

Bill Doyle Presented with Handsome Club Bag by Brethren of Belleville Rotary Club on Occasion of His Retirement.

Bill Doyle, the genial and popular secretary of the Belleville Rotary Club has been compelled to resign that honorable position because of heavy duties elsewhere that demand his undivided attention.

His resignation and retirement were made the occasion for presenting him with a handsome club bag by his brethren of the Rotary Club at yesterday's luncheon.

President Gus Porter read a resolution expressive of the regret felt by the directors because of the prospective loss of the secretary's services and their appreciation of the good work he had done in building up the organization in the first months of his life.

The president then called upon Rotarians Charlie Reid, Lorne Marsh, Bob Tennant, Bert Jennings, Vince Doyle, A. G. Davis, Bill Deacon and others who also gave fitting expression to the general regret.

The retiring secretary, on rising to accept the token modestly disclaimed any particular excellence in his work. He had received so few of the good things in this life that he wouldn't turn down the proffered club bag. (Laughter.) But judging by the lightness of its weight he didn't think it contained much of the good spirits referred to by the president. (Renewed laughter.)

Rotarianism made no particular profession in regard to being good or saintly but nevertheless it contained the basic principles of religion. Under its joviality there ran a vein of seriousness. The man who was willing to give without any thought of return must have a good spot in him somewhere. He hoped to see established in Belleville one of the strongest Rotary Clubs anywhere.

The speaker was greatly applauded on resuming his seat.

The directors, after accepting Rotarian Doyle's resignation, appointed Oswald Scott to take his place for the balance of the term.

Vote of Appreciation for H. K. Denyes.

A cordial vote of thanks was passed to express the appreciation of the members of the club of the persistent efforts of Mr. H. K. Denyes, M.P.P., in securing from the Ontario Department of Public Works consent to make the road from Belleville to Foxboro a full Provincial highway.

The hope was also expressed that at an early date this highway would be extended to Peterborough.

New Members.

Dr. Morley Day, Reub Cooper and Bob Wray were duly introduced as new members and each of the initiates gave brief addresses appreciative of the honor conferred.

It was decided to invite the Inter-City Relationships Committee to come and hold a meeting some time in January.

Reforestation.

A special committee consisting of President Gus Porter, (Judge) Frank Willis, Bill Schuster and Owen Herby was appointed to consider the great problem of reforestation and to investigate what practical steps might be taken to secure a reforesting of the timbered areas of North Hastings.
