is well known here, started off for the visitors but was relieved in the fifth by Sharp.

Sharp showed up far better than his team mate and kept the Sox guessing for the remainder of the game. They connected with his shoots his true, but nothing like what they should have done or was expected of them.

The batting ability of the Red Sox was a sad disappointment to the fans. English, Chapdelaine and Shea couldn't connect with a flock of balloons the size of a house.

This match was played on the J. B. grounds in fine weather and before a very good attendance. The teams turned out as follows:  
Holmedale Tigers—Scanlon, Martin, Hoyle, Scott, Waugh, Mason, Moorcroft, Hart, Scanlon Archer, Clark.

Tutela—Stanley Rowden, Wright, McLeod, Vinney, Wright, Usher, Hodson, Aspen, Granville, McLeod. The Tigers started the game badly, but after the first 15 minutes they livened up. Clarke putting in a fine centre, Scanlon met it with his head and put the first and only goal through for the Tigers. After this the Tutela team played splendidly all through the game, and if it had not been for the Tiger defence the Holmedale boys would have received a good beating. Clarke, the new outside left for the Tigers strengthened the forward line in fine style, and if the forwards stick and play together they will make a fine combination. The game was fast throughout and the spectators were satisfied with the play and the result.

Every player of the Holmedale team is requested to be at Holme St., Tuesday evening at 7 o'clock sharp for practice.

### Dragoons 2, All-Scots 1.

The game on Saturday between the Dragoons and All Scots at Recreation Park, was a hotly contested one, resulting in a win for the soldiers of 2 to 1.

No score was made during the first half. The first goal was scored by the Dragoons from a splendidly placed corner kick; the All Scots retaliated by putting one past the 25th goalkeeper five minutes later. The winning goal was kicked within four minutes of time.

The winning team was a strong one. McDonald at left half, W. Lord right back, B. Woodcock, outside right and Marlatt as centre half, particularly, won the approval of the spectators.

Referee Harry Elliott was right on to the job and controlled the game splendidly.

### An Exhibition Game.

The Sons of England teams played a game of football at Tutela Park on Saturday—The Blues and the Whites. The game was closely contested at all times. Johnson and Keathley made some fine breaks, but were held back by the backs. There was no scoring the first half. The second was faster as both sides were eager to score. Ten minutes after the start, the Blues pressed hard and scored by a good shot from Brooks. The Whites went at it harder but

### THE GOLFING TIME

By Cona.

The golfing time has come to stay, till birds in autumn "bye" will say. With sticks and tees and balls and routs, the links are beautiful throughout. From here and there and everywhere they come with mettle, debonair, to match their skill in friendly bout. The sun is smiling on the green, the vista's beautiful, I ween. Athletic queens are out to play; the men, of course, make all things gay. With vision keen and aim so true, into a hole a ball doth go. Then shouts are heard, and echoes bright come floating down the hilly height. A trophy may be hard to gain from our good players, known for skill. But sports are we in fairplay's name, and when a guest does come and win, we cheer 'mid happy voices' din. The glad handshake, the good cheer take—in company with friends who make a record day, with skill to date. For spring is here, and work and play, and play and work, helps on our way this old world's happy roundelay. So here's to lads and lasses gay! May they win out, we truly say.
