ACETYLENE

The Light that Never Fails

We recommend Acetylene to you because it is cheaper than other lights and because of the healthful nature of the gas.

The gas burns without a flame and is very poisonous if inhaled.

Our gas is made and bottled by the Acetylene Co. of Canada, Ltd. There is no other gas in the world that burns so clean and bright.

Acetylene for the People of Athens: We have gas made for you at a very low price. You can have the light that never fails and is very clean and bright. We will tell you the value of it and Acetylene is the best for cooking and lighting.
