ARRESTED

Evangefiet is Charged With Stealing at Perth.

Toronto, Aug. 27.-Robert A. Kidd, an evangelist, who gives his address as 29 Soho street, was arrested last night by Delectives Forrest and Porter on an oldicharge of horse stealing. The prisoner was connected with another evangelist named Pearce, who was sent to jail some time ago forta brutal assault on a young man who was present at one of his evangelistic services. For attempting to escape from prison, Pearce had his term ex-

At the time of the conviction of Pearce, the officers were after Kidd, but he left the city. He returned within the past few days and began another series of meetings. The alleged horse stealing occurred in Perch and Kidd will be taken there for trial

THINKS HE WAS MURDERED.

Winnipeg, Aug. 26.—A Port Arthur special says: A young man named O'Connor, recently from Ireland, was supposed to have been drowned in Kaministiqua. It is now believed that he was murdered by a companion for \$100 which O'Connor had on his person. The supposed murderer worked for some time on the C. N. R. and then skipped out.

D. W. Mills, who was engaged with Premier Roblin in the cattle business was arrested by the latter on a charge of stealing \$16,000. It is alleged that Mills sold cattle purchased with Roblin's money at slaughter prices and was in the act of skipping to the States when arrested.

FOUR MEN KILLED.

Columbia, S. C., Aug. 26.—An accident to-day at the new bridge which the Southern Railway is constructing across the Congaree River caused the death of four men, one other was fatally and two more seriously injured. The accident was caused by the falling of two steel girders, weighing four tons each, which were hoisted four tons each, which were hoisted about half-way across the river, above the bridge. The rains of the night previous had probably caused the ropes holding them in place to slip. There were 75 persons on the bridge when the crash came. Three of the men were pinned to the bridge and killed instantly, and four more were knocked into the river, two more were knocked into the river, two more of whom were rescued by altug. The bridge was not materially damaged by the accident.

CONCERNING BABY'S SLEEP.

A table showing the amount of time a healthy, well-brought-up baby spends each day in sleeping, was brought out recently by an authority. It is as follows :-

For the first three weeks, 17 to At one month, 17 to 18 hours. At two months, 16 to 17 hours. At three months, 15 to 16 hours.

At nine months, 13-12 to 14 hours At 12 months, 13 to 14 hours, After this a child should sleep as long as possible—not less than 11 or 12 hours at night, and retain the custom of a midday sleep for at least three more years. All :children require a great deal of sleep to make up for the wear and tear of the day. Until they have done growing a reg-ular ten-hour night should be the
