
Do You Want Work?

In Brandon, as in many other Cities, there are people out of employment. The financial and industrial depression of the past year have been the chief causes of this condition and as a consequence many well qualified persons have found it difficult to obtain positions.

THE DAILY NEWS would like to assist all deserving people who are anxious to obtain work. For the next month, therefore, the DAILY NEWS will place its WANT AD. PAGE at their disposal FREE OF CHARGE.

We will insert FREE---ABSOLUTELY FREE---an advertisement for all those seeking positions. Each person will be allowed an ad. containing 25 Words or less.
