BABY'S COLDS

Children's delicate digestions are easily disturbed by too much "dosing." Still, the little ones' cold troubles cannot be neglected.

At the very first sign of croup, sore throat, or any other cold trouble, apply Vicks VapoRub over the throat and chest. There is nothing to swallow—you just rub it on. Colds go over night, croup is usually relieved in 15 minutes.

NERVES AND FAINTING SPELLS

Sent Woman to Bed. Great Change After Taking Lydia E. Pinkham's Vegetable Compound

Sarnia, Ontario.—"After my girlie was born I was a wreck. My nerves were too terrible for words and I simply could not stand or walk without pains. I suffered with fainting spells until I was no longer any good for my household duties and had to take to my bed. The doctor said I should have an operation, but I was not in a fit condition at that time. My neighbor said, 'Why don't you try Lydia E. Pinkham's Vegetable Compound?' I am sure it will do you good and will save those doctor's bills. So I was advised by my husband to try it after I told him about it. I am very thankful to say that I was soon able to take a few boarders for a while as rooms were scarce at that time. My baby is 17 months old now and I have not yet had an operation, thanks to your medicine. I have recommended the Vegetable Compound to a few people I know and have told them the good it has done me. I know I feel and look a different woman these last few months and I certainly would not be without a bottle of your medicine in the house. You can use this letter as you see fit, as I should be only too glad for those suffering as I have to know what it has done for me."—Mrs. ROBERT G. MACGREGOR, R. R. No. 2, Sarnia, Ontario.

A recent canvass of women users of the Vegetable Compound report 98 out of 100 received beneficial results. This is a remarkable proof of its merit. C

Here and There

Mineral production in Canada for 1924 is estimated at \$203,194,000, as compared with \$214,079,331 in the preceding year, according to a preliminary statement issued by the Department of Mines. Metallic minerals accounted for \$96,034,000 of the total, followed by fuels and other non-metallics with \$73,830,000, and structural materials and clay products with \$33,330,000.

The Port of Montreal created a new world record in 1924 for the amount of grain handled by any one port in any one year, namely, 165,139,396 bushels, while from January 1 to November 30 she handled 94,366,508 bushels more than her nearest competitor and 17,332,709 bushels more than the seven next busiest ports combined.

Described as the finest coastal vessel in the world, the "Princess Kathleen," recently launched by Lady Mount Stephen, widow of the late Lord Mount Stephen, a former president of the Canadian Pacific Railway, left Glasgow on January 15 on her ten thousand mile journey through the Panama canal to join the Canadian Pacific's fleet of coastal steamships plying the seaboard of British Columbia.

A historic pageant of some proportions is being planned by the Calgary exhibition board for this year, its object being to commemorate the fiftieth anniversary of the founding of the city by the old North-West Mounted Police in 1875. In the period which has since elapsed, Calgary has grown to be an extremely busy, modern city, having a population of 75,000. A stampede similar to those held in Calgary in previous years is also planned for this summer.

The itinerary of the "All Blacks," New Zealand's wonderful rugby team, hitherto unbeaten, in their tour of Canada, was announced by the Canadian Pacific recently. Landing at St. John, N.B., on January 31, from the company's steamship "Montlaurier," the team will proceed across the Dominion via Canadian Pacific lines. They will make short stays at Montreal, on February 1; Toronto, February 2; Niagara Falls, February 3; Calgary, February 6; Banff, February 7-9; Vancouver, February 10-21, and sail from San Francisco on the 25th. Calgary is giving them a ball and dance at the Palliser Hotel, they will take part in the Banff winter carnival, and will play teams from Vancouver and Victoria while on the coast.

Very heavy summer travel is anticipated by the Canadian Pacific Railway during 1925, especially to conventions on the Pacific coast of Canada and the United States. C. B. Foster, passenger traffic manager of the company, announced recently. Canadian and American railroads expect 150,000 persons to attend these conventions, some of which will be very large. At least thirty westward bound special trains, and as many eastward bound, will be provided by the Canadian Pacific to handle the delegates. Mr. Foster stated, and Banff and Lake Louise expect great seasons, as so many of the travellers will stop off at those famous mountain resorts. There will also be a very heavy movement to conventions in eastern Canada and the eastern United States.

TO OUR SUBSCRIBERS

At this time of the year, we are sending out our subscription accounts. We respectfully ask that you will be prompt in your remittance. Your account is small, no doubt, but when there are hundreds of small accounts just like yours the total amounts to a large sum of money.

When paying your account we would ask you to purchase a postal note or money order from your postmaster or an express money order. If this is not possible please add sufficient to your check to cover the exchange as we cannot accept checks for \$2.00 when we have to pay 20c to the bank. We solicit your aid and co-operation in this matter.
