las, Eczema, Blotches, Ringworm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and naral condition. AYER'S SARSAPARILLA has for over forty years been recognized by emimedical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores. A Recent Cure of Scrofulous Sores.

Some months ago I was troubled with
scrofulous sores (ulcers) on my legs. The
limbs were badly swollen and inflamed, and
the sores discharged large quantities of
offensive matter. Every remedy I tried
failed, until I used AYER'S SARSAPARILLA,
of which I have now taken three bottles,
with the result that the sores are healed,
and my general health greatly improved.
I feel very grateful for the good your
medicine has done me.
Yours respectfully, MRS. ANNO'BRIAN."

What persons interested are invited to call on Mrs. O'Brian; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who, will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparlla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June "Having suffered severely for some years with Eczema, and having failed to find relief from other remedies. I have made use, during the past three months, of Aver's Sarsara-Rilla, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheuma tic Gout, Catarrh, General Debility, and

all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality. It is incomparably the cheapest blood mediine, on account of its concentrated strength, and great power over disease.

Four years ago I had a slight shock of palsy, which unnerved me to such an extent that the least excitement would make me shake like the ague. Last May I was induced to try Hop Bitters. I used one bottle, but did not see any change; another did so change my nerves that they are now as steady as they ever were.
