OP AGE.

Copy of a Letter from M1. Thomas Weston, (Book Store,) Toronto, dated the 9th October, 1864. l'o Professor Holloway,

Fo Professor Holloway,

Sir,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with asthmated and spiriting of blood; it was quite agony to see her suffer and hear her cough; I have often declared, that I would give all I pussessed to have her cured; but although I pand a large sum for medicine and advective as all to no purpose. About three ments age, I thought perhaps your Pills might benefit her; at all events I resolved to give them a trial, which I dal: the result was marveilous; by slow deg ees, no mother became better, and after persevering with your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy-five years old.

I remain, Sir,

Your chigged,

REMARKABLE CURE OF DROPSY. AFTER BLING TAPPED THREE TIMES. Copy of a Letter form Arthony Smith, Esq. Halifax, Nova Scotia, dated the 25th August, 156-

To Professor Holloway,

To Professor Holloway,

Sir.—I desire to add my testimeny to the value of your Pilis, in cases of dropsy. For nine menths I auffered the greatest totture with this distressing complaint; was tapped three times, and finally given up by the doctors; having become in appearance as a sceleton, and with no more strength in me than a child just been. It was then, that I thought of trying your Pilis, and immediately sent for a quantity and commenced using them. The result I can searcely credit even now, although ton it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months, I was completely cared. I have since enjoyed the best of health.

Yours sincerely

To Professor Holloway,

To Professor Holloway,

my liver and bowels were also much deranged for
the whole of that time. I tried many medicines, but
they were of no good to me, until I had recourse to
your Pills, by taking which, and following the printed
directions for seven weeks I was cuted, after every
other means failed to the autonishment of my neighbours, acquaintances, and friends. I shall ever feel
grateful to you for this autonishing restoration to
health, and will recommend your Pills to all sufferers,
feeling it my duty to do so.

I remain, Sir, your humble servant.
