VOLUME III.

CHATHAM, N. B., JUNE 18,

THE IRISH SITUATION.

A new era of Fenian scares seems to have been inaugurated in England. The latest rumour is that a number of men have been detailed to destroy public buildings in various cities.

Outrages like that perpetrated in Liverpool are calculated to do immeasurable in jury to any cause. It is noted as a curious fact that during the recent direction.

An outrage like that perpetrated in Liverpool are calculated to do immeasurable injury to any cause. It is noted as a curious fact that during the recent direction.

An outrage like that perpetrated in Liverpool are calculated to do immeasurable injury to any cause. It is noted as a curious fact that during the recent direction of subdued hope, on a discontinuation of the liver of the care of the massacre. The party which started from Assubstance and the that an Italian exploring party which started from Assubstance and the that an Italian exploring party which started from Assubstance and the that an Italian exploring party which started from Assubstance and the that an Italian exploring the tax and the that an Italian exploring the positical situation. By substance on the malautic that an Italian exploring the positical situation. By substance and there is at present a dearth of the research of the massacre. The pa cause. It is noted as a curious of subdued hope, on a disease fact that during the recent dis—which makes less short work of turbance in Ireland very few the wicked. It must almost retion in the existing system of Fenians appeared on the scene. When they did they were un.. Charles Tupper's illness a feint since it is thereby precluded ownerships, but suggested an shot" Foster has managed to from visiting the iniquities of important change in the system shot" Foster has managed to place himself again in a ridicu.. lous position before the country. During the squabbling in the House of Commons some weeks

House of Commons some weeks

Trom visiting the iniquities of that human fiend with a creep.. ling palsy or a cancer in the stomach. In Mr Pope's constitution, however, the seeds of demore influence in creating the present depression of landed the line of the system of restrictions in the transfer of land. He thought, however, that American competition had more influence in creating the present depression of landed the land of the land o ago, he taunted Mr Healey, the young but irrepressible member for Waxford, with the violence of his spacehos, and expressed vonebosfed them in the seeds of depression of landed property than the artifical dis... of his speeches, and expressed his belief that Healey would not dare to repeat them in Ireland. This challenge was reland. This challenge was regarded as mean and undignified nees of the Globe, and whom

A FIENDISH ACT, ing at the Chief Secretary. In the course of his remarks Mr. A diabolical gunpowder plot, intended to work wholesale Healey quoted the old William-ite ballad slightly altered for ite ballad slightly altered for the occasion. "There was an time occasion." There was an time occasion. "There was an time occasion." There was an time occasion. "There was an time occasion." There was an time occasion. old prophecy found in a bog, that time to prevent serious conse- Catholics by His Lordship the lreland would be ruled by an quences. The plot was designed Roman Catholic Bishop of Monass and a dog, and now the particularly to kill two moulders treal, who also advises his peoprophecy's come to pass, for prophecy's prophecy's come to pass, for prophecy's come to pass, for Bourke is the dog and Foster's were pouring molten iron into nics and other pleasure parties of train landing, and opposite Talegraph and on the Lord's day. Bourke is the dog and Foster's the ass." Healey concluded by stating that he had come over to Ireland in answer to Mr Foster. He challenged the secretary to eross the Channel and meet him on equal terms in France. This invitation has added the ridiculous character of the situation as Healey is boyish in appear. ance and is very short. sight. ed.

CORRECT PHASES OF THE CASE.

A London correspondent writing to New York says: Mr.

Were pouring molten iron into moulds when they discovered a mould when they discovered a mould that had apparently been tampered with. They were just ready to raise the ladle and fill this particular mould, when they decided to make a closer examination. This they did by scraping away the sand from the inside of the mould. This process revealed a paper bag, which contained about two pounds of gunpowder. This hellish plot is believed to have been got up by a number of malecontents who are now on a strike. The effects of the explosion would have
