Had Dyspepsia.

Says: HE NEARLY TURNED UP HIS TOES.

Burdock Blood Bitters CURED HIM.

Mr. H. N. Manderson, Stettler, Alta., writes: "About twenty-five years ago, in the Province of Quebec, I came pretty near turning up my toes with dyspepsia. A cousin of mine persuaded me to try Burdock Blood Bitters. In about two weeks I could eat anything from raw fat pork to unleavened bread. Three bottles did the job, and I have never been troubled with my stomach since. You would say that this is wonderful if you could only see what we sometimes have to live on in this country; bannock, half cooked beans, etc."
