### Cornwall Defeat the Feildians.

Saturday evening at 7 o'clock there was a football match on St. George's Field between the Cornwall and Feildian teams. It rained practically the whole time that play was on and the attendance as a result was small. Early in the game the leather became soaked and greasy and no fast play was witnessed. The ship's men became aggressive from the start and quickly scored two goals in the first half. They had the best of it, but in the second half the Feildians got the ball inside the goal posts once and the game closed Cornwall, 2 goals; Feildians, 1 goal. Mr. W. J. Higgins refereed.

### Fiona Returns.

The cruiser Fiona, Capt. E. English, arrived here on Saturday afternoon from the Straits of Belle Isle where she had visited the scene of the wreck of the Prinz Oskar. The ship was off the shoal when the cruiser got down and had proceeded on her way to Montreal. Not much cargo had been saved from the ship which went ashore in a dense fog. The ship had foggy and stormy weather the whole trip up and down. Her news of the Straits fishery is far from encouraging, there being but a sign of cod at Porteau, Blanc Sablon, Bonne Esperance and nearby places. At Flower's Cove, Port Saunders and other places there the fishery to date is a blank. Caplin, however, are plentiful, and it is hoped that the fish will soon strike the shore. Mr. H. W. LeMessurier, Mr. W. K. Morrissey, H. M. C., and Const. O'Neill came up by the ship.

CHINA CUPS and Saucers, Plates, Dishes, etc., Glass Preserve Dishes, Tumblers, Wine Glasses, Decanters, Vases, etc. We are always fully stocked with the above lines. At LAR-ACY'S, 345 and 347 Water Street, opposite the ship.

### Highlanders Out.

Yesterday morning the Nfld. Highlanders paraded, attending service at St. Andrew's Church. The pipers were in attendance and played stirring Scotch airs. Rev. R. J. Power preached a sermon on the "Fast Young Man," introducing the parable of the Prodigal Son. The sermon was remarkably impressive and no doubt made a deep impression on the minds of the young men. At the present time there are temptations and allurements for the young man on all sides. There are many prodigals. The same opportunity is open to rise and go to their father and lead a better life in future. The congregation was highly pleased with the discourse and there were many encomiums bestowed on the preacher. The brigade presented a very fine appearance and were much admired by the people along the way. Lieut.-Col. McNeill was in command.

WHALES ARE SCARCE.—By the Fiona we learn that whales are plentiful on the Labrador coast. The Cachalot, working at Hawke's Harbor, secured only one fish in two weeks, and has only 5 to date. At Port Saunders there was 5 whales landed when the ship was there.  
AT THE BRITISH HALL.—The Myrtle Amusement Club will hold a dance at the British Hall to-night.

### Poor Fishery on the Labrador.

The s.s. Invermore, Capt. Parsons, returned from her second trip to Labrador yesterday. The ship went as far north as Turnavik, arriving there June 28th. The weather was stormy all the way down the coast and for a whole week the sun could not be seen. Two or three schooners only had got below Cape Harrison, and a crew on the upper part of the shore had not reached their destination. At Bolster's Rock, Shannahan of Harbor Grace had about 40 qtls. From Emily south to Battle Harbor there was a fairly good sign in some of the harbors but the bad weather had held up operations. Traps had from five to ten quintals at several places, and when the weather settled good fishing was confidently expected. The D. P. Ingraham was met at Hawke's Harbor last Friday. The fishery on the French Shore is to date almost a failure.

### St. Patrick's Parish.

At a meeting of the General Committee of St. Patrick's Parish held yesterday morning, presided over by Rev. Dean Born, the chairman reported that he had deposited \$2,388 in the bank to the credit of the fund for rebuilding the church. The General Committee will meet in future every fortnight. A monthly statement will be also made of the receipts and expenditure. After several other matters of minor importance were disposed of the meeting adjourned.

RIFLE CLUB.—At 10 a.m. to-morrow the members of the Rifle Club will shoot for the J. C. Parsons junior prize and the Harvey Medal. At 2 p.m. the contests for the Rendell challenge medal and Smallwood junior prize will begin.

### Queen-Mother's Flag.

British and Danish Standards on Same Ground—Special Design.  
London, June 23.—The Royal Standard, which since King Edward's death has flown over Buckingham Palace in honor of the Queen-Mother, who is still in residence there, has been replaced by a flag specially designed for the Queen Mother's use. The new flag is 24 feet long and 12 feet deep, and is equally divided, the British Standard being on the left, and the Danish Standard on the right.

Minard's Liment Co., Limited.  
Dear Sirs.—This fall I got thrown on a fence and hurt my chest very bad, so I could not work and it hurt me to breathe. I tried all kinds of Liments and they did me no good. One bottle of MINARD'S LIMENT, warmed on flannels and applied on my breast, cured me completely.

### City vs. Cornwall Match

The city team in the match between St. John's vs. Cornwall at St. George's Field this evening will be: Goal, P. Keefe; backs, F. Hartery and H. Rendell; half backs, W. Duggan, N. Vinnicombe and A. Tait; forwards, E. J. Brophy, E. Power, C. Quick, E. Brophy and E. Piment. As there is promise of fine weather a good game is anticipated.

FRESH MEAT SCARCE.—Fresh meat was a scarce article in the market Saturday, and most of the city butchers shops were drained out at an early hour on Saturday evening. Cattle are scarce and no heavy importation of beefs have been made for some time past. But that the Bonavista brought 57 head there would have been no beef to be had Saturday.

MINARD'S LIMENT CURES COLDS, Etc.

F. and Mrs. O'Neill, A. Nardini, R. J. McIsaac, P. Joy, R. B. Black and T. Fitzgibbon.

TEN ARRESTS MADE.—The police arrested ten drunks Saturday night. All were released yesterday on making the usual deposits except four old offenders.

### Laid Up With Lame Back

Pain, helplessness and suffering overcome by DR. CHASE'S KIDNEY-LIVER PILLS.  
Mrs. Frank Bloom, Hardwood Lake, Ont., writes: "I want to tell you of the great benefit I found in the use of Dr. Chase's Kidney-Liver Pills. I suffered so badly with kidney disease that when I lay down I could not get up without help. I was completely laid up with lame, aching back. I read about Dr. Chase's Kidney-Liver Pills in the almanac, got them and they cured me of kidney disease and back-ache.  
"My husband had dreadful pains in his sides and obtained cure by using Dr. Chase's Kidney-Liver Pills. These pills are the best on the market and I am glad to recommend them."  
Dr. Chase's Kidney-Liver Pills are definite and certain in action, enliven the liver and bowels as well as the kidneys, are lastingly beneficial and economical. But to obtain these results you must get the genuine Dr. A. W. Chase's Kidney-Liver Pills. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

### Sailors Give Trouble.

Saturday night at the foot of Adelaide Street a marine of the Cornwall and a citizen came into collision, and a big crowd gathered. Constable Mercer was investigating the affair and was talking to the marine when a bluejacket rushed in and assaulted the officer who with Const. Cleary arrested him. The marine then tried to rescue the prisoner but failed. The prisoner came along quietly until the foot of Market House Hill was reached when he attacked the officers who with the aid of Const. Devine, handcuffed him and brought him to the station. The marine followed on to the station and was rushed into the cells with his friend. Both men were given in charge of an officer who called at the police station for them yesterday.
