"ANCHOR" BRAND Cans Lead in Quality.

This year special pains have been taken and our Cans will be superior to all others in at least two respects.

The Cover of every Can will fit so perfectly that it will be possible to seal a case with about 20 cents' worth of solder instead of using a pound, which costs nearly 35 cents.

The Covers of Anchor Brand cases will be put on with patent fasteners instead of being nailed. This will allow the cases to be opened without danger of splitting the cover abroad, which so often happens when the cover is nailed on.

A suffragette, armed with a whip attacked Baron Weardale, while he was waiting with other guests for a train to Althorp Park, Northampton to attend the wedding of the Hon Sidney Peel. Lord Weardale was walking with his wife along the platform, when he was approached from behind by the woman who struck him a severe blow with a powerful whip as a result of which he fell in a heap on the ground.

William O'Brien, leader of the Independent Irish Nationalists, has been re-elected, unopposed, as M.P. for Cork City. He recently resigned in consequence of a speech by Augustine Roche, Nationalist M.P. for North Louth, who declared that O'Brien had lost his hold in Cork. O'Brien accepted the implied challenge and immediately vacated his seat but the regular Nationalist party decided not to oppose him.

Frederic Harrison, the historian and philosopher, now 83 years of age who is a staunch Home Ruler, has written a long letter to Premier Asquith urging the dangers of ignoring Ulster. He proposes a scheme to treat Ulster as a separate Province with its own legislative and administrative powers independent of Irish Parliament for a stated term or until after a general election, when the problem could be reconsidered, or left to Ulster for decision by a referendum.

A Sydney (N.S.W.) correspondent of the Telegraph reports the warning utterances of Sir Ian Hamilton, who is visiting that part of the Empire on a tour to inspect the local defence systems. Speaking at a banquet Sir Ian referred to the ever present and formidable danger confronting the country by reason of its exposed position in the open Pacific. It was, he said, important for the people of Britain, South Africa and Canada to know that Australia and New Zealand are not waiting until danger actually arrives but by their system of defence, were taking time by the forelock.

Back Was Lame For Two Years

Stomach Troubles and Weakness of Kidneys Cured by Dr. Chase's Kidney-Liver Pills.

There is an enormous amount of suffering from liver and kidney derangements and stomach troubles that could easily be avoided by using Dr. Chase's Kidney-Liver Pills. If you could only realize the scores of everyday ills that arise from a sluggish condition of the kidneys, liver and bowels you would not be long in giving this medicine a trial.

Mrs. Edward Stewart, New Richmond, Que., writes: "I want to tell you how thankful I am for using your Dr. Chase's Kidney-Liver Pills for stomach troubles and backache caused by weak kidneys. I was unable to wash any clothes for over two years on account of my back being lame. I read the Almanac and began using these pills. Two boxes made a complete cure. I can do my own washing and other work now, and want to say to lady friends that they do not know how much I appreciate Dr. Chase's Kidney-Liver Pills." 25 cents a box, all dealers, or Ed. WOMEN ARE PRAISING DODD'S KIDNEY PILLS.

Nova Scotia Mother Tells How They Cured Her Aches and Pains, and Made Her a Well Woman Again.

Ecum Secum Bridge, Halifax Co., N.S., Feby. 16. (Special).—From Vancouver to Halifax come daily reports of the splendid work Dodd's Kidney Pills are doing for the suffering women of Canada, and this little place can show a splendid cure of its own. Mrs. Orastus Pace, the mother of a large family, was a sufferer from those aches and pains only women know. To-day she is a strong, healthy woman. Dodd's Kidney Pills did it.

"I had a pain in my left side and down through my hips," Mrs. Pace states. "I had headache all the time. My heart was weak, and at times a pain around it added to my fears. Some days I was hardly able to walk."

"I read of a number of cures of cases like mine, by Dodd's Kidney Pills, and sent for three boxes. To-day I am a well woman, and can do so much work as ever I could."

Dodd's Kidney Pills cured Mrs. Pace because her troubles came from diseased kidneys. Dodd's Kidney Pills always cure diseased kidneys, and as ninety per cent. of women's troubles come from kidney trouble, Dodd's Kidney Pills have come to be known as suffering woman's best friend.

House of Commons by Will Crooks, the Labour member for Woolwich, members of the Liberal Party have been greatly incensed by the demand put forward by Unionists for legislation to prevent such "alien desperadoes" as the labor leaders deported from South Africa after the recent general strike there, from being dumped into England. A stormy protest filled the House, in the midst of which the burly member for Woolwich shouted out, "What about Thorndon, the new manager for the Great Eastern? Is he an undesirable alien?"

JUAREZ, Feb. 18.

Two foreigners, one a British subject and the other an American, are under arrest here. The latter is Gustave Bouch, whose sister, Mrs. Patterson, of this city, says he was born of German parents in Louisiana. Bouch was arrested on Sunday morning, tried by court martial yesterday and found guilty. The sentence will be left with General Villa, but he may be shot as a spy. Mrs. Patterson last night entreated the General to release her brother, or at least spare his life, but the rebel leader declined to commit himself. Mrs. Patterson announced that she intended to appeal to the Consul-General to-day to intercede for the prisoner. Bouch has been a railway engineer in Mexico for many years. The British subject arrested is W. B. Siventon, owner of a 100,000 acre ranch west of the city of Chihuahua, and has lived in Mexico for thirty years. His wife is Mexican woman. He was arrested on suspicion of having been concerned with a federal filibustering movement, having its base on the American side, which became known last Wednesday, when a detachment of filibusters escaped across the Rio Grande at Yoleta, thirteen miles east of El Paso.

The Late Mr. Macdonald.

Editor The Evening Telegram.
Mr. Editor,—My acquaintance with the late Mr. Macdonald in his capacity as architect left me with the wish to know him more intimately, a desire which his death leaves unfulfilled. A native of Cape Breton, he had been among us but a few years, but his premature departure will be lamented by all who knew him. His disposition was so genuine, kindly, and retiring that he could not have made an enemy. Permit me to record my high appreciation of him both from the personal point of view and because of his wide range of knowledge, particularly on the artistic side of his profession. He was too much an artist to be a mere artisan; he might well have been a favourite pupil of some architect of celebrity. His draughtsmanship and powers of independent design were hall-marks of his ability. A casual reference to any of the great masterpieces of architecture found him capable of discussing them intimately. St. John's was hardly a wide enough field for him.

This brief appreciation by a comparative stranger will not have failed if it affords a modicum of comfort to those to whom he was near and dear.

Yours,
