PROTECT YOURSELF PARAFORMIC THROAT LOZENGES.

These Lozenges are a powerful antiseptic and germicide. By allowing one to slowly dissolve in the mouth they will protect you against Influenza and other contagious diseases. Used in this manner they form a pleasant and efficient substitute for gargling.

One Briscoe Touring Car at one four-passenger Sports Roadster. See them at THE GAL GE. Your own eyes will tell you that it is unlike any other ca in its size, power and weight class. In appearance and finish we believe you will see in it a welcome departure from the ameness of design and dress which has heretofore marked the ordinary popular-priced cars. Mechanically the car is tried at proven. You can shift the grows of the Briscoe with your boar tins so easy are they to gears of the Briscoe with your tiger tips so easy are they to mesh. The clutch takes hold whout "grabbing" and engages so effectively that you can move he car forward or backward an eighth of an inch at a time if on desire. It is not necessary that you throw your full weight of the brake pedal, just a slight pressure and the brake takes hold

The weight is evenly distribute balanced and stays on the road no matter what the speed. The Bailey Gearless Differential eliminates side sway, skidding and slipping. Naturally it requires no effort to steer the car. Full line of Spare Parts by "Adolph". Prompt service is
