Recently in Ireland two Constables were murdered in a railway carriage while escorting a Sinn Fein prisoner to jail. A coroner's dering a verdict to the effect that the "English" government is responsible for the murders. The jurors have fenders of the German Empire, before its destruction, who declared that Belgium was responsible for the war because it was in the way of tramp-

(From the Westminister Gazette.), The question as to whether ministers of religion should smoke or not, raised at the Primitive Methodist Conference, recalls the story of the old lady who, greatly concerned at Mr. Spurgeon's fondness for a pipe, "Oh! yes," he replied, with a merry Valley of Baca."

Lords of Creation.

to travel swiftly as the common omestic fly, you could journey London to Brighton, take a look ound, and be back on your front doorstep before your watch had registered five minutes?

Do you know that, if you were as agile as the elusive flea, you would think no more of hopping over the London Momument, poised on the top of St. Paul's Cathedral, than you would, as a mere man, of jumping over a footstool, or that, if you boasted muscles proportionately as those of the said flea, you could literally "support" four average families addition to your own; or-to put another way-that you could easily aise a couple of mounted Lifeguards-Glad there's no one else about.

men off the ground? Do you know that, if you were as invulnerable as a beetle you could riddled with bullets and trans- Out the water that has sneak fixed with bayonets, and yet survive to enjoy your meals; or, if you brought to your meals the appetite of a spider, you could eat the equivelant When you're castin', far or near, of a prize ox in twenty-four hours, and yet call for a "snack" before go-

Do you know that, if you had the ndustry and architectural skill of the African ant, you could build for yourself, without any assistance, a pleasure-house so lofty that the Eiffel Towr would serve as a doorstep to it? And yet you call yourself the "Iord

weet as honey through an' through! There's a breakfast I defy Any millilonaire to buy.

The "World" Still Thirsty.

Time the fish taste best is when

You've got up at 4 o'clock,

To a secret place you know

An' the lily pads an' grass

Suit the habits of the bass;

Maybe take the time to bail

Then you get your leaders wet

An' adjust your landing net;

In the distant east the sun

Seems to signal howdy-do!

Sorter glad to welcome you.

Round you like a hungry troop

Just as though they knew you'd got

Something vicious greets your cast

An' your reel starts runnin' fast,

Fish! there's none of them that taste

Like the kind you've caught your-

Can't compare with reeds an' grass

Fried in butter, man, oh man!

An' the gulls begin to swoop

Special breakfast for the lot.

An' your pulse begins to leap

Like the bass that's divin' deep.

Market stall an' pantry shelf

As a storin' place for bass. Take 'em from the lake to pan

There's a meal to comfort you,

Stow your oars, so's they'll be clear

An' all the world looks good to you.

(From the New York World.) A rise in the price of tea and coffee is looked for after Probhition goes into effect. When will the public get through paying the bill for the abolition of liquor? There is the partial satisfaction that Probhitionists themselves will have to pay a share of it in taxes and in the higher cost f "temperance" beverages.
