Japanese Troops and Civilians Massacred.

Siberian District Scene of Butchery and Bloodshed -- Blockade of Fiume is Severe -- Maoris Demand That Prince Visit Them--German Evasions of Treaty Condemned.

MASSACRE OF JAPANESE.

WASHINGTON, April 28. Japanese guards in the district of Nikolaevsk, eastern Siberia, are believed to have been annihilated and several hundred Japanese residents, including the Japanese Consul there, massacred according to an official statement issued by the Japanese Foreign Office, and made public to-day by the State Department.

SPANISH CABINET RESIGNS.

MADRID, April 28. The Spanish Cabinet, headed by Aldeide Sazar, handed in its resignation to-day.

THE BLOCKADE OF FIUME.

TRIESTE, April 28. The blockade which Fiume is now undergoing is admittedly the most severe to which it has been subjected. The communications of the town have been completely cut off, regular Italian troops are tearing up sections of railway and bringing up numbers of machine guns to guard the frontiers. Passage in and out of the city is ab-

solutely forbidden, not even milk going in and connection with the outside world by sea route has been completely severed.

MAORIS TO WELCOME PRINCE.

LONDON, April 28. New Zealand Maori tribesmen, formerly enemies of the British in the Maori war, refused to be represented at Rotorua, in welcoming the Prince of Wales upon his arrival there, says a central news despatch from Auckland. They pointed out their presence would associate them with other tribes, against which they made a protest. Chiefs of the Maori threatened if the Prince of Wales did not stop at their village to receive them they would hold up his train by lying down in front of it. They finally promised to create no disturbance if permitted to welcome the royal visitor.

TURKISH FRAUD.

PARIS, April 28. Official accounts of the French retreat from Urfa, Asia Minor, confirmed reports that the retreating column

was ambushed, although the French had an agreement with the Turks, which they believed would ensure a safe retirement.

CHINESE STUDENTS STRIKE.

PEKING, April 28. (Associated Press.)—Students in Peking schools have declared a strike in sympathy with students in Shanghai and fourteen of the provinces, who several days left their studies. No violence is expected. The Shanghai strike was caused by the refusal of the Peking Government to reply to demands that secret negotiations with Japan, relative to Shantung cease, and that a decree abrogating secret treaties be published.

U. S. TRADE WITH RUSSIA.

ATLANTIC CITY, April 28. The Board of Directors of the United States Chamber of Commerce to-day authorized appointment of a commission to proceed to Europe to investigate the possibility of resumption of trade relations between United States and the Russian people.

MORE HUN TREACHERY.

BERLIN, April 28. In an article commenting on the discovery by the Entente Control Commission of 286 guns at Stettin, the Independent Socialists organ, Die Freiheit, says the incident was discussed at the Cabinet meeting at which General Von Seeckt, Chief of Staff, declared that this secret movement of guns which were intended for Koenigsburg, was undertaken with the full knowledge and approval of the Ministry of Defence. "This statement," says the paper, "is very astounding. Under the Treaty of Versailles, Germany was allowed only 186 guns, and incidents such as this, are bound to inspire the Entente with the deepest disgust."

UP TO GERMANY.

PARIS, April 28. Premier Millerand, in making a declaration to the Chamber of Deputies to-day on the results of the Supreme Council meeting at San Remo, said that Frankfurt and Darmstadt territories would be evacuated by the French as soon as the Allied commission had established that German forces, over the number allowed by the convention of August, 1919, had been withdrawn.

MEXICAN REVOLUTION.

AGUA PREITA, April 28. Approximately four thousand Carranza troops at Parral and Jimenez, Chihuahua, revolted yesterday, according to information given out here to-day by General Calles, commander of the revolutionists in northwest Mexico.

Get Busy.

Gentlemen of the Committee! Editor Evening Telegram
Dear Sir,—If ever there was a display of indifference to public sentiment, it is certainly shown by the studied inactivity of the Committee in charge of the G. P. Cemetery. For a whole year they have taken no notice whatever of the conditions, which both in the public press and in private, have been time and again brought to their notice. Surely a matter of such delicacy, appealing as it does to one of the elemental instincts of our nature—the affection for our dead—should require no second reminder to stir into action those responsible for the care and upkeep of their resting place. The more one thinks of the subject, the greater becomes the wonder that there should be a moments delay in applying the remedy. It is well known that there are thousands amongst the six congregations concerned, who, like the Editor of the Daily News, feel deeply the negligence of those responsible for conditions at that Cemetery—conditions brought about in the first place by the apathy of the Committee, and secondly by everybody responsible for the appointment of that Committee. It seems necessary now to again spur the Committee into wakefulness. I would suggest that as they have proven themselves impervious to repeated public appeals, that they would be well advised to visit the Government Museum and see there an illustration of fidelity, which doubtless will make them do some thinking. There they will see evidence that even the Boethics knew how to honor and respect their departed kindred. The trinkets and playthings shown there were laid in the child's grave with loving care and what a striking reproof is this tenderness to the coldness and indifference which appear to be the accompaniment of our much vaunted modern civilization. The Spring has again come round, and with its approach the opportunity is at hand for the Committee to get busy repairing the dilapidated fences, walks, etc. An aroused and indignant public will soon demand action on this unpleasant matter, and if the Committee find themselves unable or unwilling to do anything—now is the time for them to resign—not at the end of the season—so as to permit their successors to inaugurate the badly needed repairs which have been referred to in detail so often, and with so little effect, in the papers and elsewhere.

Yours truly,
VIGILANT.

FATHERHOOD.
How's the little chap to know
Just the proper roads to go,
If you never travel with him
While he's little, hand in hand?
How's he ever going to learn
Just what corners not to turn
If you never try to tell him
So that he can understand?
Who think you will train him rightly,
Who will watch him daisy, nightly,
Who will take the time to show him
Just the things he ought to do?
Will some stranger or a neighbor
Take upon himself the labor
Which the Lord above intended
As a duty, just for you?
Is it safe to trust another,
Even though he be your brother,
To the molding of his future?
Can you watch him come and go,
Can you go on money-making
Without thought or trouble taking
To discover if he's learning
Just the things you'd have him know?
There's no fortune worth his splendor
Of his youthful days and tender,
There's no goal so bright with glory
Which is worth his happiness;
He's your hope of joy to-morrow,
As you'll find out to your sorrow
If you let him wander from you
While you seek your own success.
Let the fame and mcrey go,
Teach him what he ought to know,
You will find a greater glory
Than the selfish seeker can;
Shape his mind and soul to beauty,
God has given you this duty
And your age shall glow with glad-
ness
When your boy becomes a man.
I want another bottle of

preparation I have ever taken to
give me an appetite. —apr28,1f

Forty-Five Years Ago THE FIRST CAKE OF

Harvey's No. 1 Bread

Was made in Newfoundland by the present
Manufacturers.

Isn't it reasonable to suppose that during that time the Manufacturers have learnt all that there is to know about making "Hard Tack"?

Don't let any interested party try to persuade you that there is any kind of Hard Bread "just as good as Harvey's."

If you want Hard Bread that contains a rich, flaky well baked interior insist upon your dealer supplying you with

Harvey's No. 1 Bread.

"There is no other just as good."
