The first thing is to send a messenger post haste to the nearest chemist for a bottle of Shiloh's Cough and Consumption Cure. While bottle of Shiloh's Cough and Consumption Cure. While he is gone, get to bed. You will know you are going to be ill because you will have hot flashes and chills—that is, be hot and cold at the same time; you will have backache and boneache, and headache and perhaps sore throat, and feel wretched all over. Have a hot footbath pre-pared at once, with plenty of wood ashes or mustard in

Local Market

London, Tuesday, Dec. 12. The market square presented anything but a lively scene this morning. Comparatively few loads of garden and farm produce were brought in, and the wagons stood out in the mud in dreary solitude. Only the wind was active, and it occasionally caught up some discarded wrapping paper, and sent it scurrying across the open. In the basket pavilion the benches were bare, but for a few dressed fowl. But short as the supply was, the demand was less, and prices remained almost unchanged. The meat market was dull. Dressed lamb proved suscep-tible to the inactivity, and dropped in

AN ITALIAN SENSATION. A sensation has been caused throughout Italy by the trial of two railroad men on the charge of murdering and robbing in a railway car near Palermo. Signor Notar Bartolo, a former director of the Bank of Sicily, and one of the most notable citizens of Palermo. The dead man's son accused Palizzolo, a member of the chamber for Palermo, with giving the order for the murder of Signor Notar Bartolo. As a result of this accusation the chamber of deputies authorized the prosecution of Palizzolo, who was arrested in Palermo.

NEW WAR DEVELOPMENT

Kruger, one President of the South African Republic, Has Bright's

Cape Town, Dec. 11.-Grave alarm is hannesburg, according to a reliable leport, owing to the fact that President Kruger has Bright's disease. This may add a new phase to the situation, as the death of Kruger would remove the principal obstacle to the English in the Transvaal. It is not generally known there that there is a cure for Bright's disease, as Dodd's Kidney Pills have not yet been introduced into the Transvaal.

If the report is correct, President Kruger's fate is certain, as, with the exception of Dodd's Kidney Pills, there is no known cure for Bright's diseasc. Few people would like to see the oll man die at this juncture, notwithstand-ing his faults, but unless he can pro-cure Dodd's Kidney Pills his death seems inevitable.

Are you in constant fear he will be ill?

Then give him more flesh. Give him more power to resist disease. He certainly needs a fat-forming food.

Scott's Emulsion is just that food. It will make the baby plump; increase the weight; bring color to the cheeks, and prosperity to the whole body. Thin children take to it as naturally as they do to their milk.
