DOMINION SAVINGS' NET EARNINGS WERE \$66,149

Encouraging Financial Statement Was Given Shareholders at Annual Meeting.

The forty-first annual report of the Dominion Savings and Investment Society, presented at the annual general meeting this week, shows a very commendable increase in all departments of the business. The meeting was held in the company's offices in the Dominion Savings Building, and the directors were chosen as follows: T. H. Purdon, K. C., John Ferguson, W. J. McMurtry, Samuel Wright, John Purdon, John Milne and Nathaniel Mills. At a subsequent meeting of the directors, T. H. Purdon was re-elected president, and John Ferguson, vice-president.

The Net Earnings.
The net earnings of the society for the year amounted to \$66,149.45, of which the sum of \$39,712.12 was recovered from debts which had been written off in previous years. The amount at the credit of the contingent account is \$5,330.50.

The sum of \$12,063.07 was applied in payment for two half-yearly dividends at the rate of four per cent per annum, and an additional bonus of one-half of one per cent. The sum of \$25,000 has been added to the reserve fund, which now amounts to \$200,000, leaving at the credit of the contingent account the sum of \$4,416.88.

Source of Satisfaction.
In spite of the existing money stringency which has made itself so noticeably felt both at home and abroad, the Dominion Savings and Investment Society's business has forged steadily ahead, and the increases throughout are a matter of much satisfaction to directors and shareholders.

MINARD'S LINIMENT CURES TO KEEP SALARY AT \$2,000

The Real Estate Owners' Association passed resolutions last night criticising the stringent wiring inspection regulations, and requesting the city council to reduce the mayor's regular salary from \$2,000 to \$1,000, it having been pointed out that his worship will receive \$1,000 as a member of the board of control.

STATEMENT THE BEST IN FORTY-THREE YEARS

Annual Report of the Ontario Loan and Debenture Company.

In another column will be found the proceedings of the annual meeting of the shareholders of The Ontario Loan and Debenture Company, one of London's leading financial institutions. The statement of profits was described by Mr. John McClary, the president, as the best of any during the forty-three years the company has been in business.

An indication of the strength of the company as a depository for savings and other funds is evidenced by the fact that its liabilities are little more than one-half the amount of its assets, the latter approximately \$8,000,000.

The most interesting part of the proceedings from the shareholders' point of view was perhaps the statement made by the president, that, commencing with the present quarter, it is the intention to increase the dividend to shareholders to the rate of 9 per cent per annum. Last year, 1913, the dividend was 8 per cent, which together with the bonus for the last quarter made the distribution equal to 8 1/2 per cent. In addition the profits permitted carrying \$100,000 to the company's reserve fund, which is now \$1,550,000, equal to about 90 per cent of the paid-up capital.

The former directors were unanimously re-elected, the officials being Messrs. John McClary, president; W. J. Reid and A. M. Smart, vice-presidents.
