# **ELACKLISTING** SOLDIERS

Local Temperance People Not Much Pleased at Action of Liquor Question-Concen-Has Not Gone Nearly Far

That the temperance proposals of the Provincial Government as outlined yeserday by Premier Hearst and Provin cial Secretary Hanna are entirely un-Boyd, interviewed, said. far enough or as far as we expected in the Tyrol and Triest, where de-it would. What we wanted was that all fensive works are being constructed. measure during the war, instead of have received advices from Austria to line of artillery fire. The eastern part made by the allied fleet on March 18 to that the hours of sale should be short- might consider the signing of a separ- to have been abandoned and all the

the liquor traffic entirely in the hands of commission is a good one; it should at least give more satisfactory results than the present arrangement

Soldiers Discriminated Against. 'As to the suggestion that no soldiin uniform should be served with liquo my opinion is that if it is a good thing to close the bars against soldiers, it is good thing to close them against every body. I do not see why the Government should differentiate between the soldiers in this matter, although personally should welcome anything which wou prevent a man wearing the King's uni-

form getting drunk. "But, to put the whole matter in nutshell, it seems to me that a a time like this, when there is great bessure on the nation, the whole thing should be stopped, at least for the duration of

CANNONADE WAS TERRIFIC LONDON BOYS ALL WELL

Story of Thursday's Battle of No One in No. 1 Field Com-Dardanelles Told by Corpany Wounded-Local Men respondent.

[Canadian Press.]

Dardanelles, Thursday, March 18, via Constantinople and Berlin, March 21, and London, March 24, 1:15 p.m.—One Clark, No. 1 Field Company, Canadian French battleship, the Bouvet, sent to Engineers. The brief note, written from the bottom; one British battleship, name unknown as yet to the observers on shore, driven on the beach and battered to pieces, and three other ships of the Allies damaged to such an extent Terrific Cannonade.

The action lasted nearly seven hours, during which time there was a terrific cannonade from the ships of the Allies and the Turkish forts. The fire from to the German lines and to Berlin. the warships at times was exceedingly severe, while the Turkish gunners maintained their precision wonderfully, even wounded is cheering news to this city when they were literally buried in the for the London boys who left the 7th earth and debris which the exploding Field Company, Canadian Engineers, in shells from the warships threw broad-

The Allies put in an appearance at bout half-past eleven in the morning, throwing their first shells into the town f Chanak Kalessi. Their vessels at this hour numbered four French and five British battleships. A little late ive other British warships entered the bay, and the bombardment rapidly k came truly terrific and wonderfully spectacular.

Routed Correspondents. The correspondent of the Associated Press had taken shelter in Fort Chimenlik, but he was driven out by shells to position on a hill outside the town. But even this hill already was burning in two places as a result of exploding shells. In the beginning the range of the British and French gunners was The correspondent saw a party of newspaper correspondents wh traversing Chanak-Kalessi
