NORMAL STUDENTS TOOK HIGH STANDING AT RECENT EXAMS

District Were Successful.

CERTIFICATES SHORTLY COME BEFORE COUNCIL

Next Final Examination Will Hamilton Road Extension, Be Held at Easter in London.

The results of the final examinations held in the Normal School here recently show that students from London and district were most successful.

The certificates of the successful candidates and the marks of the unsuccessful will be forwarded in due course to the addresses reported to the department of education. Permanent second-lass certificates will be issued to those of the successful grade "A" candidates who are 21 years of age, and interim second-lass certificates to all other successful candidates. Candidates who have not succeeded in making the necessary standing for second-class certificates but whose marks bring them within the provision of section 13 (3) of the Normal School Syllabus will be awarded limited thirdclass certificates, valid for five years, and upon passing the Easter or June final examination in any year during the term of such certificate will be awarded second-lass certificates. These tion. latter candidates will be informed individually of the groups upon which

they must rewrite. Those candidates who have failed at this examination will be required to attend another session, but they may enter in September and take the Easter final examination, or at the re-opening in January and take the examination in June.

In addition to those listed below, an interim second-class certificate will be granted to Vilda Rosenbloom when she submits satisfactory proof of being a British subject. Permanent Second-Class Certificates,
