PALERMO, Jan. 14.—A banquet was given here last night in honor of expremier Crispi, who is a Sicilian by birth, in connection with the fifties to day when he sisted in the connection with the fifties to deplite to day when he saked to be allowed to question the good fields, the Candelland of the Sicilian revolution. Signor Crispi made an important speech, which led the audience to intense enthusiasm. He asked would Sicily gain if she returned to autonomy, and the addence shouled an emphatic "No." The Signor fervently declared: "For us unity is life. Without it our existence would be uncertain. We should be the playthings of the bullies of the world. Surrounded by strong the beautient of the world. Surrounded by strong the beautient of the world. Surrounded by strong the signer who has strongly fortified it, the Alps and the two seas would not suffice. Continuing, Signor Orispi deplored the fact that though unity had been established it had say et failed to produce the desired fruit. "A great edifice with the signer who has strongly fortified it, the same conflict of men, the same conflict of m

union the government remained for sixty years after the proclamation of independence in the hands of the men of the country was accomplished; but in Italy the masses have been inoculated with hatred for the past and scorn for with hatred for the past and scorn for duced indifference and inertia in the didle classes and apprehension in the indidle classes and apprehension in the country with time he had been called upon to defend a matter which had already had indidle classes and apprehension in the composition of 1848 and r inertia composedly pursuing its mission and in 1918 and attacked from abroad.
