

For Friday, Better Values Than Usual

Friday's special lines are exceptionally meritorious. That will be apparent to all on reading the items mentioned below. The sale of blankets, linens, cottons and flannelettes is a great success, and many of the best values are still to be had. The furniture section is also on hand with good specials, and all over the store will be found plenty of good values—typical Spencer values—the kind that has made the Big Store's reputation for value-giving.

On Sale Friday - A Special Purchase of Pongee Silk

This lot of PONGEE SILK is the result of a special purchase lot that we picked up at a great price concession. In the two prices combined we have about four hundred pieces to offer for sale. That they were bought considerably under price can readily be seen by a comparison with the prices that these silks usually sell for, and if you want any of this silk, or will want any for future use, this provides a good opportunity to buy at most favorable prices. On sale Friday morning.

Women's New Wearables

Our assortment of New Fall Wearables for Women is now most extensive, both in Costumes and Coats. The showing of Costumes is particularly pleasing, the styles being attractive, the colorings pretty, the trimming effects handsome and the prices moderate. In separate Coats the fact that the most of the styles are fifty inches or longer, and either semi or tight fitting, makes their popularity unquestioned, and insures a strong vogue for the separate Coats for this season.

Our Stoves and Ranges

Plenty of evenings now a fire is comfortable, some nights a necessity. How are you fixed for Heaters? Perhaps you are thinking about buying a new one. If so, remember that we have a full line of the productions of the Albion Stove Works. If it is a Heater you want, have a look at these. If it is a Range you want, you cannot get any that are better, and very few as good. That these Stoves and Ranges are all we claim them to be is proved by the many hundred people that are using them here in Victoria, and are perfectly satisfied that nothing better can be had.

It is No Disadvantage to Live Out of Town
