Government Prosecutions DUBLIN, Dec 25-The government has ordered the prosecution of Harrington, secretary of organizing committee of the Irish national league, for a speech delivered at the Mullingar meeting on last Monday night, when Harrington said the more pros-perous farmers must be told that if they did not throw themselves into the new movement they would have the whole force of the laborers agitation against them. Prosecutions are pending against proprietors of various journals for articles published inciting to crime. A party of moonlighters were surprised near Castle Island on Saturday night by the police. All were captured after an exchange of shots. One of the marauders was wounded. ordered the prosecution of Harrington,

OZCENA. Ozcena is the professional or technical name given to an advanced form of catarrh in which ulceration has eaten through the membrane lining of the nose to the cartilage of the bone. Any case of catarrh may end in ozena, but it most frequently occurs in those who are naturally scrotulous. The discharge takes place through the nostrils or through the throat, and is generally of a vellowish bolod, and almost always attend d by an offensive smell. In the language of Dr Wood of Philadelphia, "the disease is one of the most obdurate and dis-agreeable which the physician has to encounter. In had cases the breath of the patient becomes so revolt-ing as to isolate him from society, and to render him an object of disgust even to himselt."
