BUT THAT WHICH IS HER ALL AND MOST IMPORTANT should not be forgotten, and that is she should be taught a trade that is sure to be self-sus-taining, and as there is but one sure trade for a lady we desire to pay that you as a father, mother or a guardian are responsible for every girl you raise, if she ever comes to ruin, because she is not able to earn her own living. You must admit that you can look to your right and left and see many a refined lady who has not long ago been the commander of her thousands and to-day she is left without a dollar and probably a house full of dear little children who must get their bread and butter from the earnings of their mother's hands. MOODY'S SYSTEM IS TO-DAY the only sure and self-sustaining accomplishment that can be acquired by a lady, either old or young.
