Can be and has been cured in thousands
of cases by this only certain remedy.
JUDSON'S CHEMICAL EXTRACT OF
CHERRY AND LUNGWORT,
and no remedy has ever before been discovered
that will certainly
CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption where the lungs have become diseased and ulcerated and the case so utterly hopeless as to have been pronounced by Physicians and friends, to be past all possibility of recovery, and at times thought to be dying, has been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicinal substances, which are particularly adapted to and essentially necessary for the cure of
COUGHS AND CONSUMPTION.
Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough and asthma, nature to expel from the lungs all diseased matter by excretion, producing a most delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind-spraying friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE
persons have been deceived in buying medicines which were said to be infallible cures, but which have proved only palliatives, but a cure for ulcerated lungs. It contains no deleterious drugs and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of Blood, Coughs, pains in the side and chest, night sweats, &c. &c.
About 1000 certificates of almost miraculous cures performed by this medicine, from some of the best Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery, (will show them to any person calling at our office.) This medicine will speak for itself, and enough in its own favour wherever it is tried.
Caution:—This medicine is put up in a large bottle and you must find the name of Comstock & Brother, Proprietors, New York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John St., New York.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.
The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at those changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Bots, &c. All of which will be prevented by giving one of these powders, and will at any time cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretory glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood are speedily cured by them. Holloway's Pills.

CURE OF A DISORDERED LIVER AND STOMACH, WHEN IN A MOST HOPELESS STATE.
Extract of a Letter from Mr. Matthew Harvey, of Chapel Hill, North Carolina, dated the 10th of January, 1850.

Sir—Your valuable Pills have been the means with God's blessing of restoring me to a state of perfect health, and at a time when I thought I was on the brink of the grave. I had consulted several eminent doctors who after doing what they could, for me, stated that they considered my case hopeless. I thought to say that I had been suffering from a Liver and Stomach complaint of long standing, which during the last two years had become so much worse, that every one considered my condition as hopeless. As a last resource I got a Box of your Pills, which soon gave relief and by persevering in their use for some weeks, together with rubbing night and morning your Ointment over my chest and stomach, and night and day, I have by their means, recovered my health, and to the astonishment of myself and every body who knows me. (Signed) **MATTHEW HARVEY.**
CURE OF A CASE OF WEAKNESS AND DEBILITY, OF FOUR YEARS' STANDING.
Extract of a Letter from Mr. Smith, of No. 5, or Elm Street, Gibson Street, Lambeth, dated Dec. 12th, 1849.

To Professor Holloway.
Sir—I beg to inform you that for nearly five years I have known what it was to have a day's health suffering from extreme weakness and debility, with constant nervous headaches, giddiness, and sickness of the stomach together with a great depression of spirits, I used to think that nothing could benefit me as I had been to many medical men some of whom after doing all that was possible, power informed me that they considered that I had some spinal complaint beyond the reach of cure, and that I was in a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day being unusually ill and in dejected state, I saw your Pills advertised, and was curious to try them, as I was cured, however I soon found myself better by taking them, and so I went on persevering in their use for six months, when I am happy to say they effected a perfect cure. (Signed) **WILLIAM SMITH.**
