WEDDING AT DEEP BROOK

VRROOM—DITMARS

A very pretty and impressive wedding took place in the Deep Brook Baptist Church on Friday morning, December 19th, at 10.30, when Ethel Blanche oldest daughter of Mr. and Mrs. James R. Ditmars, was united in marriage to Mr. Harry Hugh Vroom.

The church had been prettily decorated by friends of the bride with evergreen in artistic arrangements ending in a bridal arch at the altar. At the appointed hour, the bride entered the church with her father and proceeded to the altar to join the groom to the music of the wedding march played by Miss Laura Ditmars. They were preceded by the bride's little brother Walter, who acted as ring bearer and the bride's only attendant. The ceremony was performed by the Rev. A. M. McNinch and was most impressive. The ushers were Messrs Henry Suls and Harry Nichols.

The bride looked charming in a suit of navy blue with hat to match trimmed with pale pink ostrich tips and carried a bouquet of pink carnations. After the ceremony luncheon was served to the bridal party and the happy couple left on the west bound express and on their return will reside in Deep Brook.

Many gifts attested to the popularity of the young people. The bride has served for eight years on the post office staff at Deep Brook and has also been organist of the Baptist Church for several years.

Mr. Jones is a son of Mr. and Mrs. W. C. Jones, of Clerentsport, and a brother of Mr. W. V. Jones, the efficient D. A. R. agent at Bridgetown.

This Beak's Bridgetown's Usual Limit

A Halifax business man received a shock a day or so ago when he had handed to him the tidy sum of \$11,000 by a Halifax clergyman. The money had been passed to the clergyman by a man who said that it had been stolen from the business man in a poker game with the request that if he turned back to its rightful owner. When the money was paid back, the clergyman received \$1,000 from the business man as a gift of gratitude.

It stands to reason that a machine so complex so delicate in the adjustment, yet with such strength required in the wear and tear of daily work, must, of necessity be sold at a price that can guarantee reliable operation, at all strains. The Remington Typewriter is not a low priced machine but for the service it gives it is the least expensive in the end. A. MILNE FRASER, 157 Hollis Street, Halifax, N. S.
