Prevents as well as Cures

"Father Morrissey's No. 10" (Lung Tonic) Goes a Step Further Than Other Cough Medicines.

Left to themselves, most "Common Colds" will run their course and depart. But they leave reminders in the shape of lingering, irritating coughs and weak throats and lungs. There are many cough medicines on the market that help to stop a cold, but they do it because they contain Opium, Morphine or similar drugs that simply quiet or deaden the irritation, but do not remove the cause. Such medicines do little or no permanent good and often a great deal of harm, particularly to children.

"Father Morrissey's No. 10" is made of Roots, Herbs and Balsams, without a trace of Morphine or any other harmful drug. It goes straight to the root of the trouble and removes the cause of the cough. It restores lungs and throat to a healthy condition, tones them up, and makes them stronger than ever to resist colds and more serious diseases. Trial bottle, 25c. Regular size, 50c. At your dealer's or from Father Morrissey Medicine Co., Ltd., Chatham, N.B. 12

WARDS NOS. 13 AND 25. Assessors—Harris Oakes, Charles Marshall. Presiding Officers—Charles Whitman Ernest Freeman. Constables—Jacob Stoddart, Enos Swallow, John Mullock, Millegde Charlton. BLACK WATCH The Name of Black Watch On a Tag on a Plug of Black Cheewing Tobacco Stands for Quality. 2273. Repeat it—"Shloh's Cure will always cure my coughs and colds."

HOW TO CURE A HEADACHE

To attempt to cure a headache by taking a "headache powder," is like trying to stop a leak in the roof by putting a pan under the dripping water. Chronic headaches are caused by poisoned blood. The blood is poisoned by tissue waste, undigested food and other impurities remaining too long in the system. These poisons are not promptly eliminated because of sick liver, bowels, skin or kidneys. If the bowels do not move regularly—if there is pain in the back with kidney trouble—if the skin is sallow or disfigured with pimples—it shows clearly what is causing the headache. "Fruit-a-tives" cure headaches because they cure the cause of headaches. "Fruit-a-tives" act directly on the three great eliminating organs—bowels, kidneys and skin. "Fruit-a-tives" keep the system free of poisons. "Fruit-a-tives" come in two sizes—25c and 50c. If your dealer does not have them write to Fruit-a-tives Limited, Ottawa.

EARTHQUAKE IN THE WEST.

Victoria, B. C., Jan. 12.—Strong shocks of earthquake were felt at Victoria on Monday afternoon. The people ran out of their houses and workmen threw down their tools and ran away. The shock was also felt at Vancouver, Tacoma, Bellingham, and Sumas. No serious damage was done but the people got a bad fright.

Misery in Stomach

Why not start now—today, and forever rid yourself of Stomach trouble and Indigestion? A diet of stomach gets the blues and crumbles. Give it a good eat, then take Pape's Diapensin to start the digestive juices working. There will be no dyspepsia or belching of Gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and Dizziness, and your food will not ferment and poison your breath with nauseous odors. Pape's Diapensin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case of Indigestion and Upset Stomach in five minutes. There is nothing else better to take Gas from Stomach and cleanse the stomach and intestines, and besides, one tri-nucle will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it. When Diapensin works, your stomach rests—eats itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good. Absolute relief from all Stomach Misery is waiting for you as soon as you decide to begin taking Diapensin. Tell your druggist that you want Pape's Diapensin, because you want to be thoroughly cured of Indigestion.

It is said that one of the issues at the next civic election in Halifax will be the reduction of liquor licenses and other temperance reforms.

THEIR HOPE, THE PEOPLE

Muskoka's Brave Battle for Needy Consumptives.

It is poor consolation to needy consumptives to say that the Government should make provision for the thousands who suffer and die from tuberculosis in Canada every year. The Government should do a great deal more than they have yet dreamed of doing. But they are not doing it, and in the meantime twelve thousand die annually in the Dominion from this dread disease. As the situation is to-day, what would be the fate of many consumptives in Canada were it not for the two Homes for Consumptives in Muskoka that during the past eleven years, against many odds, have cared for upwards of three thousand patients in the earlier stages of the disease, whilst in the two sister institutions, on the banks of the Humber, those in the more advanced stages are treated. This work in Muskoka is one of pure philanthropy. From the day the first patient was admitted to the Muskoka Free Hospital for Consumptives in April, 1902, not a single applicant has ever been refused admission because of his or her inability to pay. The Government contribute \$1.50 per week per patient. The cost of maintenance is \$6.25 a week. The difference in the cost of maintenance of all needy patients has through these years been made up by private philanthropy. The Secretary-Treasurer of the Association, Mr. J. S. Robertson, 347 King Street West, Toronto, writes us that, with the financial depression of the past year, the funds of the Muskoka Free Hospital for Consumptives have suffered greatly. At the commencement of the winter season the Trustees have to face a heavily overdrawn bank account and have many obligations to meet. Despite these financial worries every applicant is receiving careful consideration and patients are admitted as promptly as beds are made vacant. All through these years the institution has been maintained, not by any rich endowment, for such does not exist, but by the generous contributions of the masses of the people—the small sums rather than the large ones. We frankly say that we do not know, in our experience, of a more worthy and deserving charity, and our hope is that the readers of these lines will respond to the appeal that is now made for funds for the Muskoka Free Hospital for Consumptives. Contributions may be sent to Mr. W. J. Gage, 81 Spadina Ave., Chairman of the Executive Committee, or to J. S. Robertson, Secretary-Treasurer of the National Sanitarium Association, 347 King Street West, Toronto, Ontario.
