

Shipping Fruit at the Helderleigh Fruit Farms and Nurseries.

The above is the building transported by the Helderleigh Fruit Farms and Nurseries at Winona, the Dominion Express Company keeps an agent at that point and by fruit over the Great Trunk and Canadian Pacific Railways. The illustration shows fruit being delivered at the combined fruit houses, cold storage plant and shipping station. It is a brick structure, capable of holding 50 to 60 tons of fruit. A description of this big fruit farm is given in this issue.
