Instantly stops the most excruciating pains, allay inflammation and cures congestions, whether of the Lungs, Stomach, Bowels, or other glands or mucous membranes.

ACHES AND PAINS.

For headache (whether sick or nervous), tooth-ache, neuralgia, rheumatism, lumbago, pains and weakness in the back, spine or kidneys, pains around the liver, pleurisy, swelling of the joints and pains of all kinds, the application of Radway's Ready Relief will afford immediate ease, and its continued use for a few days effect a permanent cure.

Strong Testimony of Emigrant Commissioner, the Hon. George Starr, as to the power of Radway's Ready Relief in a Case of Sciatica, Rheumatism.

VAN NESS PLACE, NEW YORK.

Dr. RADWAY—With me your Relief has worked wonders. For the last three years I have had frequent and severe attacks of sciatica, sometimes extending from the lumbar regions to my ankles, and at times to both lower limbs.

During the time I have been afflicted I have tried almost all the remedies recommended by wise men and fools, hoping to find relief, but all proved to be failures.

I have tried various kinds of baths, manipulation, outward application of liniments too numerous to mention, and prescriptions of the most eminent physicians, all of which failed to give me relief.

Last September at the urgent request of a friend (who had been afflicted as myself) I was induced to try your remedy. I was then suffering fearfully with one of my old turns. To my surprise and delight the first application gave me ease, after bathing and rubbing the parts affected leaving the limbs in a warm glow, created by the Relief. In a short time the pain passed entirely away. Although I have slight periodical attacks approaching a change of weather, I know now how to cure myself, and feel quite master of the situation. RADWAY'S READY RELIEF is my friend I never travel without a bottle in my valise.

Yours truly, GEO. STARR.

INTERNALLY—A half tea-spoonful in half a tumbler of water will in a few minutes cure Cramps, Spasms, Sour Stomach, Nausea, Vomiting, Heartburn, Nervousness, Sleeplessness, Sick Headache, Diarrhoea, Colic, Flatulency and all internal pains.

Malaria Cured and Prevented.

There is not a remedial agent in the world that cures fever and ague and all other malarious, bilious and other fevers, aided by RADWAY'S PILLS so quickly as RADWAY'S READY RELIEF.

BRITISH DOMINION WINE.

Manufactured from the Best Canada Grapes without the use of either artificial coloring or distilled spirits in any form.

After repeated chemical analyses of the Wines made by Robert Bradford of No. 595 Parliament St., Toronto, I do not hesitate to pronounce them to be unsurpassed by any of the native Wines that have come under my observation.

Analyses show them to contain liberal amounts of the ethereal and saline elements, sugar and tannic acid etc., characteristic of true Wine and which modify materially the effects which would be produced by alcohol alone.

Retaining to a high degree the natural flavor of the grape, they serve the purpose of a pleasant table Wine as well as that of a most valuable medicinal Wine.

We direct special attention to the following remarkable statement:

For many years I suffered from catarrh of the head and throat, which destroyed my hearing, and for twenty-five years I was so deaf that I could not understand conversation at all. Could not hear a clock strike by holding my ear against it. I had

tried every known remedy, and nothing had given me the slightest relief. I obtained Dr. Moore's treatment, and had not used it three weeks until my hearing began to improve, and now I can hear common conversation across a room without difficulty; can hear a clock strike in an adjoining room, 30 feet away, with the door closed, and I think I am entirely cured and my hearing permanently restored.

HEALTH AND HOUSEHOLD HINTS.

Blackberry Jam.—Take four pounds of fruit, put into a kettle with two pounds of good coarse sugar, and set over a slow fire, gently boiling it for one hour, occasionally stirring it to prevent burning. When done put in jars and seal.

To Preserve Quinces White.—Take the fairest you can get; coddle them tender, core with a penknife; pare smooth and weigh them; use equal weight of quinces and refined sugar dipped in water or pippin jelly; boil and skim the syrup, boil quinces quickly, and cover with their own jelly.

Apollinaris Lemonade.—Put one cupful of sugar and a half-pint of water over the fire and melt. Add the grated rind of one lemon. When the sugar comes to boiling point, strain, and when cool add the juice of three lemons. Turn into this, just as you are going to serve it, one pint of cold apollinaris.

Favorite Sherbet.—Boil for five minutes, one pint of water, a half pound of sugar and a chipping or two of yellow rind of lemon. Strain, and when cool add juice of a good-sized lemon and a half-pint bottle of grape juice, and the unbeaten white of an egg. When perfectly cold, freeze. Remove dasher and serve in glasses.

Cream of Rice Soup.—Two quarts of chicken broth, one teacupful of rice, one quart of cream, one small onion, one stalk of celery, one tablespoonful of salt, one-third teaspoonful of pepper. Add the rice, onion, and celery to the broth, cook slowly two hours, run through a sieve, add cream and seasoning, let come to a boil, and serve hot.

Baked Tomatoes.—Select large specimens, cut around the stem end, remove part of the inside; make a stuffing of any kind of cold, cooked meat chopped fine, bread crumbs, green corn, minced onion, a well-beaten egg, butter, salt, and pepper; fill the tomatoes with this dressing, put a piece of butter on top of each and bake in a quick oven for forty-five minutes.

Sunshine Cake.—Cream one cup of butter; add two cups of sugar and beat to a cream; then add one cup of milk, the yolks of eleven eggs beaten very light, and three cups of flour, which has been sifted three times; beat until light and smooth, add two teaspoonfuls of baking powder; turn into a greased Turk's head, and bake forty-five minutes in a moderately quick oven.

Clam Broth.—Clam broth, which is highly recommended, not only for invalids, but as a steady diet for those inclined to grow stout, is made by simmering chopped clams in their own broth with an equal quantity of water, the broth strained through fine muslin and seasoned with pepper. If for an invalid, hot milk may be added when the broth is strained. Serve with toasted crackers.

Chilled Watermelon.—Split a nice ripe watermelon into halves. Scoop it out, removing the seeds. Now, with a silver spoon, chop the watermelon into small pieces. Sprinkle over about a half pound of powdered sugar and the juice of a lemon. Turn this into a freezer, pack with salt and ice, and stir very slowly for about fifteen minutes, until the watermelon is frozen like soft snow. Serve in glasses.

Egg Lemonade.—Separate four eggs. Beat the whites and yolks separately until light. Dissolve one cup of sugar into one pint of boiling water, add to it the juice of four good-sized lemons. Now, turn into this say one quart of grated ice, enough to chill it quickly. Stir the yolks of the eggs into the whites, turn them into a pitcher and pour, in at a good height, the lemonade. Pour the mixture from one pitcher to another for a moment and serve.

Frozen Coffee.—Measure four heaping tablespoonfuls of pulverized coffee. Put it into a farina boiler and pour over it one quart of freshly boiled water, cover the boiler and stand it over the fire for ten minutes. Then strain through two thicknesses of cheese cloth, add half a pound of sugar, stir until the sugar is dissolved, and when cold, drop in the white of an egg unbeaten, half a pint of cream and turn it at once into the freezer. Freeze as you would a sherbet, stirring carefully but continuously. Serve in glasses as quickly as frozen.

Ginger Drink.—Put over the fire two gallons of water. When boiling, stir in three pounds of sugar. Then add the whites of three eggs, slightly beaten, to two ounces of ground Jamaica ginger. It is best to moisten the ginger in a little cold water before adding. Bring this slowly to a boil, skim carefully, and then stand aside to cool. When cold, add the juice of a good-sized lemon, and half a yeast cake, dissolved in two tablespoonfuls of cold water. Turn into bottles, cork, and tie down tightly. Stand at once in a cool place for ten days, and it is ready to use.
