

NEW YORK EXCHANGE.

LONDON HOLIDAY — PROFESSIONAL MARKET YESTERDAY ADVANCED FORENOON, CLOSED VERY LOW — M. O. P. WAS STRONG ON DIVIDEND RUMORS — ON TAX RUMORS B. R. T. WEAK — COMMISSION HOUSE BUSINESS AND TRADERS' TRANSACTIONS VERY LIMITED.

New York, May 1.

Today being a bank holiday in London, no prices from there. We may expect no business in London in the international stocks. For the first time in some days London was a seller yesterday, although their transactions did not assume considerable proportions just as its immediate predecessor, yesterday's market followed the lead in Sugar.

The sharp upward movement in the morning being accompanied by a sympathetic advance in prices all round the Room and a sharp decline in the afternoon having an effect throughout the entire list, causing the market to close heavy at about lowest prices of day. That yesterday's market was largely a professional one, will be seen when it is appreciated that two stocks furnished over half of the day's transactions, namely Sugar and M. O. P.

Sales of Sugar alone amounted to over 250,000 shares. In Mo. P. some 75,000 shares were traded in.

In the morning Mo. P. was strong on a rumor that at the meeting J. D. Rockefeller would be made a director and that the stock would be placed on a dividend basis. When neither of these things transpired, there was little selling of the stock and a few stop orders were caught round 59, but in the main the stock may be said to have closed strong.

The traction shares were inclined to heaviness, B. R. T. being the weakest of the lot on a report that the company would be forced to pay back taxes amounting to a considerable sum of money.

N. Y. C. declined on the probability of a tie-up, and Penna. and B. & O. suffered in sympathy.

The new in the way of dealing upon stock prices this morning and it seems quite likely that today's market will be largely professional and dominated by the influences which ruled yesterday. Mo. P. was the feature in last night's loan crowd, a premium of 1-128 being demanded for the use of it. Sugar was in somewhat better supply some people who have been short for several months being covered yesterday.
