The J. M. T. Locomotive Injector

To the Locomotive Trade and others interested:

WE manufacture a Locomotive Injector which is similar and in every respect equal to the Hancock Locomotive Machine.

Our Mr. James Morrison has been manufacturing the genuine Hancock Stationary Inspirator for the past twenty years under license.

We have also manufactured a Locomotive type of machine for many years and believe it has given entire satisfaction.

We apply the name "J. M. T." Locomotive Injector to our machine and guarantee it equal in every way in efficiency, workmanship and material to the Hancock Locomotive Machine with which it is interchangeable.
