TO SMOKERS!

We beg to tender our thanks to smokers for their hearty appreciation of our efforts in the past to furnish them with the Highest Grade Goods consistent with prices charged, and to assure them that no effort will be spared to continue to cater with ONLY the CHOICEST the market of the world affords. Our brands this year will be found even BETTER THAN EVER. Our name is a guarantee of the best value at lowest prices.

We buy no CHEAP tobacco. Quality at any price is our motto, not quantity at the lowest prices. We do not manufacture CHEAP cigars. Our goods are High Grade. Cost no more to the consumer than Cigars of greatly inferior quality that are persistently foisted upon the public by some dealers for the sake of additional gain.

When you ask for our brands "Cable Extra," "Kicker," "Mungo," "Madro E Hijo," "El Padre," "La Cadena," and "La Flora," Clear Havana Cigars, the cream of the Havana crops, you secure yourself against inferior value.

Those dealers who state they are "just out," or don't handle them, or have better value, etc., are the ones who are not satisfied with a reasonable profit.

By insisting upon having our brands you protect yourself.

With best wishes for a Happy and Prosperous New Year,

We beg to remain,
Very gratefully yours,

S. DAVIS & SONS.

A good Time.

To buy furs is now. Of course the season is advancing, but some months of wear may be had from furs this winter. One does not buy furs, however, for one season only. The expectation is to get some reasonable wear out of such goods. We'd expect nothing else of furs the quality of this store's furs. But it's the matter for the individual to carry an article of fur over to another winter. It's quite a different affair for a store like this to carry any considerable stock until winter comes again. We've no desire to do it, and to-day have gone carefully through the stock and made an ugly cut in price of every article.

GRATEFUL-COMFORTING.
EPPS'S COCOA
BREAKFAST-SUPPER.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition and by a careful application of the fine properties of well-selected Cocoa, Mr Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatality by keeping ourselves well clothed with pure blood and a properly nourished frame."—Civil Service Gazette.
