LITTELL'S LIVING AGE.

It is the largest weekly religious newspaper published in the world. It employs as contributors more able writers at home and abroad than any other weekly newspaper. It gives its readers a wider range of topics and more and better departments than they can find elsewhere in any journal.

Unapproached by any other Periodical in the world of the most valuable literary and scientific matter of the day, from the pens of the foremost Essayists, Scientists, Critics, Historians and Editors, representing every department of knowledge and Progress.

Three and a Quarter Thousand

double column or two pages of reading matter every day. It is printed in an inexpensive form, considering its great amount of matter with freshness, vigor, and its weekly issue, and with artistic completeness.

ABLEST LIVING WRITERS. In no other form can so much thoroughly good reading be got for so little money. In no other form can so much instruction and entertainment be got in so small a space.

There is no other publication like it. It is known and read by all who desire to keep abreast with the cultivated thought of the English speaking world.

It reproduces so truly the choicest articles from the foreign magazines that one who takes it does not feel the need of anything else in the way of foreign periodical literature.

Its frequent issue and ample space enable it to give all that the very ablest of living writers furnish to periodical literature on science, history, biography, philosophy, poetry, theology, politics and criticism, and to add to this the full complement of the best that there is in fiction.

THE INDEPENDENT

The Canadian Independent for the United States Joseph Cook

The INDEPENDENT seeks the patronage of the public on sure grounds as follows:

It is the largest weekly religious newspaper published in the world.

It employs as contributors more able writers at home and abroad than any other weekly newspaper.

It gives its readers a wider range of topics and more and better departments than they can find elsewhere in any journal.

The INDEPENDENT consists of 2 pages, neatly cut and pasted. It is printed from clear type (no stereotype) on the best paper, and hence every issue is really printed with new type and on good paper, and in a manner which is unexcelled.

There is no question of prominence in religion, politics, science, education, finance, or any other department of human knowledge which THE INDEPENDENT does not discuss.

It has regular departments devoted to Bible and Church, Missions, Religious Intelligence, Book Reviews and Literary News, the Sunday School, Education Science, Sanitary questions, Home Arts, the movement of ministers, Personalities, News of the week, Financial and Commercial matters, including Weekly Prices, Current Market Reports, Cattle Market, Dry Goods, Vegetables, Flowers and Farming, and Insurance. In its religious department it gives news and statistics of all denominations of Christians everywhere. Its fullness, accuracy and comprehensiveness in this department is unequalled.

Several pages of stories and poems adapted to Old and Young are given every week, with a column of Puzzles.

From time to time sermons by eminent ministers are published. The current topics of the day are discussed in our editorial columns freely and vigorously. We are not afraid to state our opinions.
