

## EASY TO FIND

When you find a medicine that makes your regular food taste good, when you find a medicine that strengthens a weak stomach—then you know you're going to put some flesh on.

Scott's Emulsion does these things. We recommend it whenever the system needs more flesh. If you are thin and able to eat begin regular doses. That's your part. Scott's Emulsion will do the rest. Not flabby—but solid flesh.

We'll send you a little to try, if you like.

## Marcus Dods'

*Opinion, in the British  
Weekly :*

"It must be owned that one opens a newly-published system of theology with a grudge and a prejudice against it. Can anything new be said? Have we not already samples of every kind, from every point of view?"

"Yet, as one reads on, Dr. Burwash commends himself as a highly intelligent writer, disarms our reluctance, and wins our attention and approval. He is a quiet and unostentatious thinker, who ever and anon unconsciously reveals his knowledge and his thoughts, and drops the occasional remark that shows he has penetrated deeper than some of his predecessors.

"The Methodists may be congratulated on having so interesting and thoughtful a teacher of theology."
