

BOARD OF MANAGEMENT.

The meetings of the Board of Management have been held regularly during the past month. There have been five new members added to the list of membership since our last publication. Miss Grent, Lady Superintendent, attended a Convention of Hospital Nurses held during February in Philadelphia, an interesting account of which will be found in another column. We are sorry to report that Mrs. Sey, Matron, sustained an injury to her ankle by falling, which has proved quite tedious, and may confine her to her room for some time. Arrangements for lighting the Hospital with electricity have been completed, and found to work most satisfactorily, much to the comfort and pleasure of both the "Household Staff" and patients.

The following ladies were elected as members of the Board of Management of Grace Hospital on February 17th:—

- Mrs. A. K. Kemp, 119 Wellesley street.
- Mrs. Benj. Kent, 110 St. George street.
- Mrs. R. Ussher Topp, Bloor street west and St. Thomas street.
- Mrs. J. F. Eby, 134 Bloor street west.
- Mrs. Charlotte Morrison, 16 Admiral road.
