FARMERS!

Attention!!

Times are hard, and we realize that
what the average farmer desires
is a new Upright Piano of
great durability and fine
tone but with the
least possible expense
upon the outside case. We
have placed the

Mason and Risch

Student's
Upright

Piano

UPON THE
MARKET AT

\$300

NET CASH,

or we will give ample time on payment of
interest at six per cent.

There is no humbug about the Piano or
about the price. The quality of the Piano
is undoubted and the price is fixed. It is
the same to the "cash man" as to the
"time man," except that the latter pays
small interest. This does away with the
humbug of catalogue prices.

The Piano is made in SOLID Walnut
oil finish.

* IF you want a bargain in a second-
hand Piano be sure to write us.
We have first-class uprights at
\$200 and \$225. We have good
Organs at \$35 and upwards, and excellent
Square Pianos from \$75 to \$200. Liberal
terms of payment.

Writing letters isn't a trouble to us, so
write and ask information.

Whether you want a grand Piano at
\$1,000 or a practice Piano, be sure to write
US before deciding elsewhere.
