No. 3.

“Christ also suffered for us, leaving us an example, that ye should follow His steps: who did no sin, neither was guile found in His mouth.”

1 Peter ii. 21, 22.

OUR SPECIAL

TS published on the first of every month, its object being to keep all Railway men posted on every thing which is going on for their well being, to which they are entitled, also to carry the “Gospel of the Grace of God” to every one into whose hands it falls, and also to be the medium of conveying local Railway news items of interest to city men. 1000 copies are distributed every month, the cost amounting to \$60 or \$70 in the year comes from God to support it. It has to our knowledge been a means of blessing to many already, and believe it will be to many more.

THE WORK IN TORONTO.

Space will not permit a report, but a brief outline may be given.

TWO Gospel Meetings every Lord's day in passenger depots. Three Cottage meetings weekly, in Railway homes, and one weekly noon meeting in the shops. Everything and place in connection with each Railway is regularly visited, and a great amount of good literature is distributed. The sick and injured at home and in the hospital are visited and cared for. Arrangements are made with the general Y. M. C. A. by which the railway men may participate in its many advantages.

Our expenses last year amounted to \$718.00 raised entirely by special subscriptions from our city friends.

NOTICE.
