UNDER OATH.

The Senior Member of a large importing Firm stated some time ago under oath as follows:

I am aware that a number subscribe to the Agency, but the information furnished is of such a nature that the slightest dependence is not to be placed on it, as, from personal experience, we have made more bad debts through information received from them as being correct, while we have afterwards found it to be incorrect and not reliable.

Nearly all the large and disgraceful failures that have lately taken place are by firms who subscribe to the support of these agencies. It is all nonsense for people to pretend that they subscribe for reliable information. Persons who will allow a lot of American Mercantile Agency men to pry into their affairs or who will answer them any questions whatever relating to his business are, in our opinion, pretty weak-kneed, and are made of anything but sterling metal.
