

What the Recamier Preparations are and why they are to be used.

Recamier Cream, which is first of these world famous preparations, is made from the recipe used by Julie Recamier. It is not a cosmetic, but an emollient to be applied at night just before retiring, and to be removed in the morning by bathing freely. It will remove tan and sunburn, pimples, red spots or blotches, and make your face and hands as smooth, as white and as soft as an infant's.

Recamier Balm is a beautifier, pure and simple. It is not a whitewash, and unlike most liquids Recamier Balm is exceedingly beneficial and is absolutely imperceptible except in the delicate freshness and youthfulness which it imparts to the skin.

Recamier Lotion will remove freckles and moth patches, is soothing and efficacious for any irritation of the cuticle, and is the most delightful of washes for removing the dust from the face after travelling, and is also invaluable to gentlemen to be used after shaving.

Recamier Powder is in three shades, white, flesh and cream. It is the finest powder ever manufactured, and is delightful in the nursery, for gentlemen after shaving and for the toilet generally.

Recamier Soap is a perfectly pure article guaranteed free from animal fat. This soap contains many of the healing ingredients used in compounding Recamier Cream and Lotion.

The Recamier Toilet Preparations are positively free from all poisonous ingredients, and contain neither lead, bismuth or arsenic.

40 BROADWAY, NEW YORK, Jan., 1887.

MRS. H. H. AYER.
DEAR MADAM: Samples of your Recamier Preparations have been analyzed by me. I find that there is *nothing* in them that will *harm* the most *delicate* skin, and which is not authorized by the French Pharmacopœia as safe and *beneficial* in preparations of this character.

Respectfully yours,
THOMAS B. STILLMAN, M.Sc., PA.D.

MEPHISTO (behind the scenes): "Ha! what do I see? Only four wreaths thrown on the stage, and I paid for five!"

CHICAGO GIRL: Oh, pa, please buy "The Angelus." Papa Porkrib: Nonsense; no one in the family could play on it if we had it.

EVERY man thinks he is about right himself. An old Quaker said to his wife: "All the world is queer except thee and me, and thee is a little queer."

INQUISITIVE YANKEE: May I ask your views on the question of annexation? Haughty Canadian: We intend to annex the United States, sir, as soon as our English syndicates have finished buying it.

SUITOR: Perhaps, sir, you don't think I'm good enough to marry your daughter. Father: Perhaps I do. Suitor: Well, sir, I'd have you know that I've been refused by some of the finest young ladies in the land.

A GENTLEMAN who was blessed with a musical son-in-law, on seeing a joke to the effect that "the musician, like the cook, makes his bread out of doh," remarked:—"That may be so in some instances; but in my case the musician makes his bread out of me."

WIFE: Dear George, how does the smoking cap suit you that I presented you with at Christmas? Husband: I am delighted with it, dearest. It was very thoughtful, very kind of you to give me such a present. Wife: The bill for it has just come in. Will you pay it now, or shall I tell the man to call again?

"JANET," said the clergyman, "I have warned ye often; ye are owre muckle given to scandal. Ye maun keep yer mouth, as it were, wi' bit and bridle, as the Scripture saith." "Aweel, minister," replied Janet, "sae I hae always keptit a watch on my tongue." "Hoot, Janet! it maun hae been a repeater, then."

A BUSINESS man at Portland, Ore., sent his wife with a party going around the world, and when she got to China she sent him a cablegram to the effect that she had a dull headache, her corns bothered her, and that he must not forget that the cat must have a woollen blanket to sleep on o' nights. The cable cost him \$64.

HOMESTEAD REGULATIONS.

All even numbered sections, excepting 8 and 26, are open for homestead and pre-emption entry.

ENTRY.

Entry may be made personally at the local land office in which the land to be taken is situate, or if the homesteader desires, he may, on application to the Minister of the Interior, Ottawa, or the Commissioner of Dominion Lands, Winnipeg, receive authority for some one near the local office to make the entry for him.

DUTIES.

Under the present law homestead duties may be performed in three ways:

1. Three years' cultivation and residence, during which period the settler may not be absent for more than six months in any one year without forfeiting the entry.
2. Residence for three years within two miles of the homestead quarter section and afterwards next prior to application for patent, residing for 3 months in a habitable house erected upon it. Ten acres must be broken the first year after entry, 15 acres additional in the second, and 15 in the third year; 10 acres to be in crop the second year, and 25 acres the third year.
3. A settler may reside anywhere for the first two years, in the first year breaking 5 acres, in the second cropping said 5 acres and breaking additional 10 acres, also building a habitable house. The entry is forfeited if residence is not commenced at the expiration of two years from date of entry. Thereafter the settler must reside upon and cultivate his homestead for at least six months in each year for three years.

APPLICATION FOR PATENT

may be made before the local agent, any homestead inspector, or the intelligence officer at Medicine Hat or Qu'Appelle Station.

Six months' notice must be given in writing to the Commissioner of Dominion Lands by a settler of his intention prior to making application for patent.

Intelligence offices are situate at Winnipeg, Qu'Appelle Station and Medicine Hat. Newly arrived immigrants will receive, at any of these offices, information as to the lands that are open for entry, and from the officers in charge, free of expense, advice and assistance in securing lands to suit them.

A SECOND HOMESTEAD

may be taken by any one who has received a homestead patent or a certificate of recommendation, countersigned by the Commissioner of Dominion Lands, upon application for patent made by him prior to the second day of June, 1887.

All communications having reference to lands under control of the Dominion Government, lying between the eastern boundary of Manitoba and the Pacific Coast, should be addressed to the Secretary of the Department of the Interior, Ottawa, or to H. H. Smith, Commissioner of Dominion Lands, Winnipeg, Manitoba.
