DEAFNESS.

An essay describing a really genuine Cure for Deafness, Singing in the Ears, &c., no matter how severe or long-standing, will be sent post free. Artificial Ear-drums and similar appliances entirely superseded.

Address THOMAS KEMPE, Victoria Chambers, 19, Southampton Buildings, Holborn, London.

The Holy Scriptures used several figures to show the short continuance of affliction: 'For a season,' a day of adversity,' 'a night of weeping,' 'the hour of temptation,' 'our light affliction, which is but for a moment.'

CERTIFICATE OF ANALYSIS.

Laboratory of Dr. R. Bryce-Gemmel, Consulting and Analytical Chemist,

228 Boylston Street,
Boston, Mass.

I hereby certify that I have carefully examined the sample of K. D. C. submitted by the K.D.C. Co., Ltd, Feb. 10, 1892, and have been unable to detect any objectionable or injurious ingredients therein. It is a compound prepared from pure drugs, and it is my opinion that, if properly administered it will give ready relief to sufferers from the different forms of the disease for which it is intended. It is a perfectly safe remedy.

Respectfully,

R. BRYCE-GEMMEL.

In a laundry in Troy, N.Y., a girl had fits. The nervous attack became epidemic, eight others being attacked. This kind of half-animal, half moral, contagion is at the bottom of panics and epidemics. It may run through any religious concourse, whether the doctrines preached are true or false.
