

ROBBING DAVID TO PAY JOHN JOSEPH!

A jock-ular creature—A monkey.  
An early grave.—One dug at 4 a.m.  
If a cooper gets intoxicated at all, he should get staving drunk.  
Does the Editor of the N. Y. Clipper use the editorial scissors much?  
Home stretches.—Excuses husbands make who come home at 3 a.m.  
Plate glass windows are appropriate for china and jewellery stores.  
Notwithstanding tramps are poorly clad, they always present an imposing appearance.  
What kind of a bridge resembles the House of Lords?—One that has piers—jottings—or rather one that has a mitor two in it.  
The fort the whole world will dispute but Arabi—Fort Ras-el-Tia, which, being easily translated, signifies Raise-the-Wind.  
“Is ‘Jack Straw’ a good novel?” asked a friend of our Funny Contributor. “Hey?” said our Contributor. “What sort of a book is ‘Jack Straw’?” repeated the friend. “Good as the wheat,” replied our Contributor.

Our Funny Contributor lately entered a store in Lindsay in which a sign was displayed: “If you don’t see what you want, ask for it.” “Do you think you can furnish me with a modest, reasonable request in the dry goods and millinery line?” inquired our contributor. “I think so, sir,” said the proprietor. “Then, furnish me with a wife,” said our Contributor.

FROM THE LEADING HOSPITALS OF FRANCE AND ENGLAND

over twenty-five physicians and surgeons have connected themselves with Dr. Souvielle, of Montreal, and ex-aid surgeon of the French army, in founding an international throat and lung institute, which has been long needed in the Dominion of Canada, and the offices are 75 Yonge-street, Toronto, and 13 Phillips-square, Montreal, where specialists are always in charge. Physicians and sufferers can obtain free advice from the surgeon, and use Dr. Souvielle's spirometer, which is recognized in all leading hospitals in Europe as the only means of curing Catarrh, Catarrhal Deafness, Bronchitis, Asthma, and all Throat and Lung Diseases. Parties unable to visit the Institute can be successfully treated by letter. Consultation free. Call or write to the International Throat and Lung Institute, 75 Yonge-street, Toronto, 13 Phillips-square, Montreal.
