# Mercantile Summary.

THE Glen Durham Range Co. has brought in fifty head of cattle from Ontario, according to the *Selkirk Herald*.

MESSRS. E. T. SMART & Co. have purchased the bankrupt hardware stock of Messrs. Linklater & Deslauriers, Winnipeg, at 45 cents on the dollar.

THE stables of the Glasgow Tramway Company, Anderston, were burned on the 2nd instant. Two hundred horses were burned to death.

THE majority of the wholesale dry goods houses in Winnipeg now close on Saturday afternoons. Among those who do so are Messrs. Stobart, Eden & Co., R. J. Whittle, Thibauden Bros & Co., Hodgson, Sumner & Co., Campbell, Spera & Co., and others.

WE note the removal of the wholesale firm of Ross, Haskell & Campbell from Beccollet Street Montreal to premises on St. Helen Street, No. 16. in the same city, which are larger and in every way more commodious as well as convenient for handling their stock of laces, small wares, tailors' trimmings, and the like.

IN the county of Westbourne, Manitoba, the acreage under crop last year was about 4,700 acres; this year it is about 7,000. In Gladstone municipality the acreage this year is 3,000 acres, an increase of about 1,000. The crops are look-better than at this time last year and are further advanced.

AN exchange states that Messrs. Williams, Greene & Rome, shirt manufacturers, of this city, have offered to remove their factory to Berlin, provided that they are exempted from taxation for ten years, and granted a bonus of \$1,000 a year for five years. If these conditions are complied with, they offer to employ not less than 150 hands. The question will be shortly submitted to the ratepayers of Berlin.

WE find it stated in the *St. John's News* that arrangements have been made to put the electric light in the following places in the Eastern Townships: St. John's, Farnham, Bedford, Cowansville, Iberville, Richliu, and Huntingdon. The foregoing places have all contracted for the arc light except St. Johns, which is going in for the incandescent both for the streets, stores, &c.

MR. GEORGE WILSON, a dealer in dry goods in Winnipeg since 1879, is about removing to Almonte, his native town. Mr. Wilson says that the dry goods business of Winnipeg is greatly overdone. Competition is keen and expenses high. He mentioned the case of one large retail house the daily expenses of which were \$300. Winnipeg in his opinion is a good distributing point. Much depends on the crops which are at present in need of rain.
