They Help

Each other. Grocers and general store-keepers will find a profitable adjunct to their business in a line of our celebrated cigars. Once get a customer into the way of dropping in for a good cigar and you'll be surprised at the result. He comes in to buy only groceries and one of our fragrant LA CADENAS may catch his eye. He comes in for one of those satisfactory LA FLORAS to smoke on his way to the office and some new arrival in groceries tempts him into a purchase. See how it works? Profit both ways.

He may make a selection from other and less expensive brands such as

EL PADRE
MADRE E'HIJO
CABLE EXTRA
KICKER
MUNGO

All of which sell well.

Mercantile Summary.

A KINGSTON dealer shipped 750 tons of hay to England and Germany last year.

THE Hastings Loan and Investment Society has attained assets of \$445,000. It has deposits of \$164,000.

THE imports of oil into Great Britain were in 1891 over 130 million gallons, and last year the figures were again 130 millions, but prices were not maintained, and the value in 1892 was £240,000 less.

THE officers of the Farmers' Binder Twin and Agricultural Implement Mfg Co. at Brantford are: Joseph Stratford, president; W. Campbell, vice-president; F. Chalcraft, secretary-treasurer and manager of works; executive committee, J. Hope, J. Stratford, W. Campbell, T. Brecks, T. O. Currie.

THE assignee, Mr. James Dickson, has instructed Messrs. Suckling & Co. to offer for sale, on Wednesday next, the stock belonging to the insolvent estate of W. H. Bentley, keeper of what has been known as the American Fair here and at Peterboro. The total amounts to \$16,530.

THE fire departments of several American cities have during January been severely criticised for what seemed to the critics alleged poor work in fighting fire. Brooklyn was the first among the larger cities, Boston follows suit, and Chicago did not escape. A contemporary justly recalls the fact, however, that in most cases the firemen have worked under great disadvantages. The intense cold impeded their efforts. We in Canada know something of like difficulties.
