# Count Not the Cost

Of keeping in force an Investment Policy of insur-  
ance, as, whether the insured lives to the completion  
of the investment period or not, the amount payable  
to him if he survives the period selected, or to his  
beneficiary, if his death occurs prior thereto, is a  
large return for the amount invested.

The Compound Investment Policy

ISSUED BY THE

# North American Life Assurance Co.

Toronto, Ont., is a very attractive, liberal and re-  
munerative form of insurance. It specially pro-  
vides for the loan to the insured, if desired, of all  
premiums beyond the 10th, and should death occur  
thereafter, the full amount of the policy becomes pay-  
able, premiums loans, if any, being cancelled. It  
further provides for the return of the 11th and  
subsequent premiums, together with the full face of  
the policy, should death occur after the 10th year and  
within the investment period selected. Pamphlets  
explanatory of this advantageous form of investment  
insurance, and copies of the last annual report of the  
Company, furnished on application to

Wm. McCabe,  
Managing Director.

# British Empire Mutual Life Assurance Company Of London, Eng.
