Maguire's Sewer Gas Preventive, Flushing and Self-Cleaning Trap.

Toronto, Feb. 15th, 1888.
 Dear Sir,—This is to certify that I have thoroughly examined "Maguire's Flushing and Self-cleaning Trap." I am satisfied that it is a great improvement on the old "Crydon" and other traps, and of its many advantages. So satisfied am I with this new improvement that I have adopted it for use throughout my works. I recommend its general adoption.
 Yours truly, E. J. LENNIX.
