

of America and the Union of Soviet Socialist Republics on Underground Nuclear Explosions for Peaceful Purposes, 2/ signed on 28 May 1976, and looking forward to the conclusion of all ratification processes,

Welcoming the ongoing implementation of the Treaty between the United States of America and the Union of Soviet Socialist Republics on the Elimination of Their Intermediate-Range and Shorter-Range Missiles 3/ and the agreement in principle on and further progress made towards a first treaty on significant reductions in their strategic nuclear forces, and urging the earliest possible conclusion of such a treaty,

Recalling the final document on international security and disarmament adopted by the Ninth Conference of Heads of State or Government of Non-Aligned Countries, held at Belgrade from 4 to 7 September 1989, 4/

Recalling also the proposals by the leaders of the Six-Nation Initiative 5/ to promote an end to nuclear testing,

Convinced that the most effective way to achieve the discontinuance of all nuclear tests by all States in all environments for all time is through the conclusion, at an early date, of a verifiable, comprehensive nuclear-test-ban treaty that will attract the adherence of all States,

Reaffirming the particular responsibilities of the Conference on Disarmament in the negotiation of a comprehensive nuclear-test-ban treaty, and in this context welcoming the re-establishment of the Ad Hoc Committee on a Nuclear Test Ban in the Conference on Disarmament,

---
