

Government
of Canada

Gouvernement
du Canada

Access Government information, Anywhere in the World

Now information on more than 1000 programs, services, publications, and new initiatives is available around the globe.

The Canada Site,
www.canada.gc.ca, provides easy access to over 450 Canadian Government Web sites, including Agriculture and Agri-Food Canada, Customs and Revenue, and the Export Development Corporation.

And now 1800 O-Canada is accessible from over 60 countries, connecting you to live operators with the information you need.

For a complete list of international access codes, visit the Canada Site:

www.canada.gc.ca/directories/infor_e.htm
