

To Sir Arthur Currie,  
McGill University,  
Montreal, Canada.

My dear Sir Arthur Currie,

At a meeting of the California Branch of the McGill Graduate's Society held at the University Club of Los Angeles upon the occasion of Dean Thornton's visit to Southern California, the members unanimously adopted a resolution expressing their appreciation of the wonderful work you are doing for Old McGill, and I am enclosing a copy of same herewith. I trust you will pardon the delay in sending this to you, but it was not due to any lack of interest in your work or the welfare of the University.

Yours very sincerely
