

great regularity, and give most commendable attention to their lessons. We visit regularly the families of the children, and find there many proofs that our labours are not altogether in vain." "We have a social meeting of children and their friends every New Years' morning, and every summer we have a Steamboat excursion, which affords the greatest pleasure to our School. Ruth Iona is regarded as a sister by her supporters."

14. *Wolfe Island*—Sabbath Schools have been in operation during the Summer months, for nearly six years. The people here are likely soon to have the oversight of a settled Pastor of their own. This will greatly promote the interest of the School.

15. *Lamark*—There has been "some" evidence of spiritual life.

16. *Middleville & Dalhousie*—Are only kept open for six months of the year. Distance and bad roads are impediments; hopeful of the future.

17. *L'Original*—The attendance has increased to the amount of 14 per cent.

18. *Melbourne*—The attendance of Teachers is regular. There has been a good increase during the year, and "much that is hopeful" observed as to spiritual life. The "Well Spring," "S. S. Visitor," with Tracts and Pamphlets distributed. Increasing interest manifested. The School contributed for various purposes, about \$30. The Sabbath School is considered "an indispensable adjunct of a living Church."

19. *Montreal, St. Andrew's*—The attendance has increased during the year. The change to the afternoon has been found favorable. There is a monthly meeting of the Teachers for devotion and consultation. There is also a weekly meeting on the Friday evening of the Teachers of the four City Schools—at which, a model class is taught in connection with the lessons of the following Sabbath. After the dismissal of the class, there is a conversation upon the lesson. There are also quarterly meetings for hearing reports of the different Schools, discussion of some practical subject, and devotion. These meetings have evidently contributed to an increase of earnestness in the work. Arising out of the Association work, the two Mission Schools are sustained. A Chapel costing £600 has been erected at Point St. Charles. At St. Joseph St., besides the School, a weekly prayer meeting, visitation of the district, and a Dorcas Society have been maintained. The usefulness of the association is extending.

20. *Montreal, St. Paul's*—The Scholars are generally attentive and evince seriousness. There is difficulty experienced in obtaining a sufficient number of Male Teachers. The "Children's Paper" is distributed. The Teachers have "a monthly meeting for the maintenance, stability, usefulness and general well-being of the Sabbath School." The meetings "have been usually fairly attended."

21. *Montreal, Point St. Charles*—A growing earnestness is observable in a few. There is a want of a sufficiently large library.
