

It is the Author's wish, and (should the grace of God permit, and his Superiors in the Ministry of the Gospel sanction), his intention, to continue these Lectures in future years, and—should the present undertaking warrant it—to give them to the public as they are delivered. Thus in the course of a few years, it is hoped, by the blessing of God, an entire series of practical Lectures, upon that interesting portion of the word of God which is here entered upon, will be completed.

It only remains to state, that should the sale of this Work be such as to produce a surplus above the expense of publication, that surplus shall be devoted towards the establishment or support of a House of Industry in this Town.
